"The Isthmian Football League strongly supports the FA statement that there should be a zero-tolerance approach against racism and all forms of discrimination. Accordingly, any form of discriminatory abuse whether it be by reason of age, disability, gender reassignment, race, religion and belief, marriage and civil partnership, pregnancy and maternity, sex and sexual orientation or any other form of abuse will be reported to The Football Association for action by that Association." (The FA 0800 085 0508 / Kick it Out 020 7253 0162). The Isthmian League and all Member Clubs in the League are committed to promoting equality by treating people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of the community."

We are excited to announce a new innovation that we will be introducing to all our social media outlets, with the aim of improving engagement and providing important information for all followers of the Club.

“The Uxbridge View” will provide periodic articles, ensuring an insight and access to all areas of the Football Club.

These will include regular contributions from Management, Players, Board Members and Club Staff as well as other parties involved in and around the Club.

Our hope is “The Uxbridge View” will provide a valuable resource in relation to all aspects of Uxbridge Football Club, enabling an opportunity for dialogue and interaction for all.

We are all committed to improving Uxbridge Football Club both on and off the pitch and appreciate this will only be achieved by all associated with the Club having the same desire.

“The Uxbridge View” and other planned initiatives are to ensure that we are all involved in the journey.

GROUND SHARE ANNOUNCEMENT

Uxbridge Football Club are delighted to announce a long-term Ground Share arrangement with Langley Football Club.

Uxbridge Football Club are delighted to announce a long-term Ground Share arrangement with Langley Football Club.

Upon completion of the current redevelopment works at Honeycroft, Langley FC will be playing their home fixtures at Horton Road.

The arrangement initially covers the next three seasons as Langley FC continue their quest to obtain a permanent home of their own.

In support of the ongoing partnership between the two clubs, all season ticket holders will be eligible for entry to home fixtures for both Langley FC and Uxbridge FC.

All fixtures will be available and updated on our usual social media channels.

We look forward to welcoming The MerryMakers to our newly refurbished facilities soon and wish them every success in their time at Honeycroft.

Addison Lee sponsors Uxbridge Football Club

Uxbridge Football Club are delighted to announce that Addison Lee – London’s largest premium private hire, courier, and black taxi provider – have become the first ever main club sponsor. The sponsorship deal will see Addison Lee as the club’s first team shirt sponsor for both the 2023/24 and 2024/25 seasons and will include a number of local community and educational initiatives.

Both ourselves and Addison Lee have a longstanding heritage in the capital, with the firm operating in the city for 50 years and Uxbridge FC being one of the oldest clubs in England, founded in 1871. As neighbours in the West Drayton area, the partnership was a clear fit for both organisations. Addison Lee opened its Fleet Hub in the area earlier this year, which as their main operating centre features an electric vehicle rapid charging hub, driver training centre and full maintenance and service garage.

“The Reds” currently play in the Isthmian League South Central Division and we begin our season on Saturday 5th August with an away trip to Tunbridge Wells in the Extra Preliminary Round of the FA Cup. The match will be the first outing of the new Uxbridge FC kit, adorned with the Addison Lee logo. Commenting on the sponsorship, Addison Lee CEO, Liam Griffin said: “As a proud London business, we are always keen to work with like-minded organisations to support our local communities. As neighbours it made complete sense for us to come together to explore opportunities for our employees, drivers, and the communities in and around Uxbridge.”

Uxbridge FC Chairman, Mark Bantock added: “We are thrilled to be partnering with such a well-respected company in London. They share community values that are at the heart of Uxbridge Football Club and I know that we can deliver some impactful initiatives together. This sponsorship deal is further proof of our commitment to see the club progress through the Football League Pyramid.” Uxbridge FC’s Honeycroft Stadium is currently being redeveloped to include a new 3G pitch, LED floodlighting and a replacement stand. These developments will improve the efficiency and environmental impact of its operations, aligning with Addison Lee’s ongoing commitment to sustainability, including its multi-million-pound investment in its EV fleet and rapid charging hub.

Non-League Paper programme column

FOOTBALLERS are often accused of forgetting their roots but that's not necessarily a fair reflection of the reality.

Even this week, Aston Villa striker – and England Euro 2024 hopeful – Ollie Watkins took time out of his end of season run-in schedule to watch Truro City take on Torquay United in the National League South.

Watkins' mate Connor Riley-Lowe is Truro captain and the 28-year-old went along to show his support.

The pair played together at Exeter City but Watkins is no stranger to Non-League football following a loan spell at Weston-super-Mare a few years back before his career really took off in the EFL and, these days, beyond.

Of course, Non-League is a haven for former top flight footballers, FA Cup winners and ex-internationals – many enjoy winding down their careers on the pitch or go into management at the level. Some even enjoy great success.

Others choose to focus on getting involved with a club off the pitch too. It will be interesting to see how many look to go that route in the future.

Former Crystal Palace winger Wilf Zaha is now involved with AFC Croydon Athletic – alongside British rap star Stormzy – and watched their Combined Counties League game at Camberley Town on Tuesday night.

In last week's NLP, Tony Incenzo wrote a revealing piece with QPR defender Steve Cook and his involvement with Sussex-based outfit Westfield.

The Mid Sussex League side are dreaming of climbing the Pyramid over the coming seasons with Cook happy to be helping out.

"Hastings is my home town," the former Bournemouth man told Tony. "My mum and dad still live there. Westfield is only five minutes down the road and it is a lovely little village. Hopefully I can raise the club's profile to push them forward.

"I decided to get involved because my close friend Jack Stapley and his family have been running Westfield for a while. I'd often spoken to Jack about the club and a lot of my friends play Non-League. So I said to Jack: 'Oh, if you ever need a hand or want me to help out then just let me know.' And he replied: 'Yeah!'

“I’ve always taken an interest in life below the EFL. When I was a young Brighton player, I went out on loan to Non-League clubs at Havant & Waterlooville, Eastleigh, Eastbourne Borough and Mansfield Town (who were then in the Conference).

“It benefitted me a great deal. I came up against tough adult opponents rather than other youth players. It was a major influence on my early development and even the way I play football nowadays.”

And Cook recognises the important role Non-League football plays in the English game. He added: “It is rewarding for me to give something back to the game. Yes I am playing for Queens Park Rangers but I regularly chat to other Westfield officials via Zoom meetings which keep me in the loop.

“I firmly believe our Non-League ranks play a huge part for any aspiring footballers who want to go far.”

UXBRIDGE FOOTBALL CLUB - HISTORY

In the late 19th century the game of "football" was growing in popularity and on the 3rd February 1871 a group of eminent local businessmen held the inaugural meeting of Uxbridge Football Club. A local solicitor, Mr William Gardiner, was elected as the Club's President and the club's colours were chosen as white shirts with a light blue Maltese cross and a light blue velvet cap with silver tassel. Friendly games against local opposition were played in the early years, until the FA Cup was entered in 1873. A First Round Victory over Gitanos set-up a Second-Round tie against eventual finalists Royal Engineers, which the Engineers narrowly won 2-1. It was at this time that Uxbridge could boast amongst its ranks a Full England International. Hubert Heron played for England on two occasions whilst an Uxbridge player before he moved to Wanderers FC where he gained further international honours. His brother Francis, formerly of Uxbridge, also played for England after joining him at Wanderers FC.

The club changed its colours to Oxford Blue and Cambridge Blue shirts in 1874 but they were in financial difficulties and folded later that year. The main problem for Uxbridge was the lack of a permanent home ground (a problem that was to plague them until the middle of the next century), the committee searched the town for a suitable base but were thwarted at every turn and they led a nomadic existence, moving ground every few years. The enthusiasm for a team in Uxbridge was still prevalent and the Club was reformed in 1879. In 1886 Uxbridge FC amalgamated with another local club, Uxbridge Crescents, and played under this name in season 1886/87, before reverting to plain old Uxbridge the following season. It was at this time that the Red Shirts, which are still worn today, were adopted and the nickname "The Reds" was born.

Their first trophy was won in 1889 when they lifted the West Middlesex Cup, defeating Colnbrook 1-0 in the Final. The end of the 19th century was a particularly successful period for The Reds as they won the West Middlesex Cup on three further occasions and also won the prestigious Middlesex Senior Cup twice. In 1894 they beat the 3rd Grenadier Guards 2-0 and repeated that success two years later with a 3-2 victory over local rivals Southall in a replay in front of over 5000 spectators. The outstanding achievement however was in reaching the final of the F.A. Amateur Cup in 1898. This was the club's first season in the competition and they had to win eight ties before meeting Middlesborough in the final at Crystal Palace.

Unfortunately, their North East rivals proved too strong for them on the day and ran out 2-0 winners. During this successful period for the club they became founder members of Division Two of the Southern League in 1894, finishing fourth in their first four seasons. However, in season 1898/99 they finished next to bottom and the dwindling crowds (averaging around 500) meant that financially the club was once again in trouble. A decision was therefore taken to withdraw from the Southern League and join the local Middlesex League to try and stabilise the club. However, a majority of the more talented players joined other clubs and they struggled in their new surroundings, finishing bottom with only one point from their 14 games. At the end of the season the club had a deficit of £130 and with few players the club once again folded.

For two years much fund raising amongst the local community finally saw the club's debts paid and the reformed Uxbridge FC joined the West Middlesex League for the 1902/03 season. In 1904 the Great Western Suburban League was entered and here they stayed until the outbreak of the First World War.

Their best finish during this period was as Runners-up to Brentford Reserves in 1910/11. They also won the Middlesex Charity Cup on two occasions in 1908 and 1913, as they looked to re-establish themselves as a force in the football world. Following the end of hostilities Uxbridge joined the Athenian League and added "Town" to their name.

An unsuccessful first Athenian League campaign saw them relegated back to the Great Western Suburban League in 1920. A successful four seasons saw them back in the Athenian League in 1924 where they remained until 1937. The Middlesex Charity Cup was won for the third time in 1935 as Finchley were beaten 4-3. Two poor seasons saw them finish bottom of the Athenian League in 1936 and 1937 and the club failed to be re-elected. They joined the Spartan League for the 1937/38 season, dropping "Town" from their name at the end of the campaign stood proudly at the summit.

Championship celebrations however were cut short when it was discovered that The Reds had played an ineligible player and were deduced six points, placing them in third position behind Champions Marlow. Following the debacle of their one and only season in the Spartan League they resigned and joined the London League prior to the Second World War.

During the war years they continued to play and joined the newly formed Great Western Combination League before re-joining the London League in 1945, finishing as Runners-up to Edgware Town. Uxbridge were founder members of the Corinthian League in 1946 and remained in this league for the next seventeen years. Finally, in 1948, after over three quarters of a century of searching, a ground of their own was purchased. A piece of land in Cleveland Road, Cowley was bought for £5,800 by then President Mr W.S. Try.

The ground was named after a large house that stood on the land and "Honeycroft" was the new home of Uxbridge Football Club. During this period, they won their only Championship to-date when they were crowned Corinthian League Champions at the end of the 1959/60 season. They also won the Middlesex Senior Cup for the third time in 1951 when they defeated Hayes 2-1.

This was a successful period in the club's history as they finished in the top five of the Corinthian League on no less than eight occasions and crowds were averaging around the thousand mark. A re-organisation of Non-League football saw the end of the Corinthian League in 1963 and club found itself once again in Division One of the Athenian League. This was a lean time for The Reds, they were relegated to Division Two in 1967 and financial problems once again beset them. They gained national publicity in 1976 when England were looking for a side to play as part of their warm-up for the forthcoming World Cup campaign. Uxbridge took on a full-strength England at Wembley, losing 8-0.

The ground problems that had blighted Uxbridge throughout their history surfaced once again and the club had to find a new home. In 1978 they moved to their current headquarters in Horton Road, Yiewsley. A former works Sports & Social Club they have developed the site to the superb standard you see today.

Over the past 43 years they have added floodlights (opened by the visit of Arsenal in 1981), new stands, fencing and in more recent times a new clubhouse was opened and car park laid. On the playing front the club won the Middlesex Charity Cup for the fourth time in 1982, their first silverware for 31 years, and moved to the Isthmian League in the same year, winning promotion to Division One in 1985.

The Final of the AC Delco Cup (League Cup) was reached in 1986, where they met Premier Division Champions Sutton United. The Reds failed to stop Sutton completing "The Double" though, losing 3-1 in the Final in front of over a thousand spectators at Imber Court, the home of Metropolitan Police FC, Uxbridge entered the London Challenge Cup for the first time in the 1992/93 season and hence followed a love affair between the Reds and the magnificent trophy. In the eight seasons they entered the competition they reached five finals, winning on three occasions in 1994, 1997 and 2000.

They won the Middlesex Senior Cup for the fourth time in 2001, defeating Harrow Borough 3-0 in the Final held at Honeycroft. In 2004 the club were moved across the pyramid to the Southern League and have reached the Play-Offs on three occasions. In 2004/05 they lost on penalties, after leading Maldon Town in extra-time, in 2007/08 they narrowly lost 0-1 at Oxford City and in 2011/12 they lost 2-1 at Bedworth United in the Semi-Finals. In 2018 Uxbridge were moved back across the pyramid, re-joining the Isthmian League in the South Central Division.

They have won the Middlesex Charity Cup on three more occasions in the last eight years. Defeating Brentford in 2013, Wembley in 2014 and Ashford Town (Middlesex) at Hanwell Town FC in 2019.

In the summer of 2016, the Club lost one of its stalwarts when long serving President Alan Odell passed away. Alan had been associated with The Reds for over 80 years, firstly as a supporter and player in his youth, before serving in various official duties as a committee member. He is sadly missed.

In 2019 Uxbridge appointed only their sixth manager over the past 51 years. Ron Clack was in charge for 18-years from 1970, followed by Peter Marshall for one season, Michael Harvey for three, before George Talbot took the reins for fourteen seasons in 1992. In 2006 Tony Choules became the man in charge, being replaced by our current manager Danny Edwards in 2019.

Danny is a UEFA A licensed coach who spent 15 years as manager of Chalfont St Peter AFC. He steered Chalfont St Peter to Step 4 of the league system in 2011, as well as reaching the 3rd Qualifying Round of the Football Association Challenge Cup on three occasions. Danny has with him a confident team which includes Fred Cummings as his Assistant Manager. Fred is well known to the followers of the Red Army as a combative centre half with 320 First Team appearances for Uxbridge in the 1980's.

The Middlesex Charity Cup was won for the 8th time in 2022, with a 2-0 victory over Hanwell Town. Last season the club had a fantastic run in the FA Trophy, reaching the 3rd Round where they lost to National League side Dagenham & Redbridge

A BRIEF HISTORY OF SOUTHALL FC

Southall Football Club is one of the oldest clubs in the South East of England having been founded in March 1871, their first match being a 1-0 defeat against local neighbours Uxbridge played at Southall Park on October 21st, 1871. Southall quickly established themselves as a major club locally and entered the FA Cup in the 3rd year of the competition. Uxbridge remained their main local rivals during the first few decades since the founding of both clubs in 1871. Southall joined the prestigious Southern League for the 1896-97 season, during which time they regularly played the likes of Brentford, Fulham, Watford, Brighton & Hove Albion and Wycombe Wanderers. Southall used several grounds in the town before finally settling in at their Western Road ground in 1906, after merging with Southall Athletic FC. Western Road remained their home until the early 1990's.

The most successful period for the club was between the 1920's up to the 1960's, when crowds numbering in the thousands regularly attended, especially for games against local rivals such as Hayes, Hounslow and Uxbridge and the club produced several Amateur Internationals and players that went on to join professional clubs during this period. For the big away games and important cup ties away from home coaches and trains were often chartered for the locals to follow the club's exploits.

In 1925 Southall reached the Final of the FA Amateur Cup, when they narrowly lost to Clapton 2-1 at Millwall FC in front of over 25,000 spectators and won the Athenian League title in 1926-27. Another momentous season occurred in 1935-36 when Southall recorded 17 consecutive cup victories in various competitions. During this season they became the first non-league club to start in the FA Cup Extra Preliminary Round and reach the 3rd Round Proper before finally losing to Third Division South professionals Watford in front of Western Road's record gate of 19,094. They also beat Third Division South club Swindon Town at home 3-1 in the FA Cup 1st Round. Their cup exploits that season meant that they had to play 23 matches between 1st April and 2nd May, which included 2 games on the same day twice!

The club were forced to take the decision to sell their ground to the local Council in 1940 due to financial pressures during World War II and became tenants of the Council for the rest of that ground's existence.

Southall have also played big Amateur Cup matches at Stamford Bridge, Highbury & Craven Cottage, all in front of over 20,000 fans. The club's last big cup day out was for the 1986 FA Vase Final at Wembley. In the 1970's and 1980's future full England Internationals Gordon Hill, Alan Devonshire, and Les Ferdinand played for Southall in their younger days.

Western Road was the arguably finest non-league ground in the area, regularly being selected to host finals and semi-finals of local and county cup competitions. It had a fine clubhouse, which regularly held many social events and was hired out by local clubs and societies as well as regularly being a venue for local bands to play at.

Unfortunately, Ealing Council closed Western Road in the early 1990's and eventually awarded the replacement site to a breakaway club, which folded soon after. Southall FC has been forced to share grounds since this time but are hopeful of finding a suitable site back in the town in the near future.

Having been in the doldrums in terms of league performances since the late 1990's, Southall won the Spartan South Midlands League Division 1 title in 2017-18, their first championship for 91 years. This also earned them their 2nd promotion in the 2010's and secured a spot back un the Combined Counties Premier Division. The league reorganisation for the 2021-22 season saw Southall in the Premier Division North. An exciting season was played out with cup runs in the FA Vase (1/4 final), Middlesex Charity Cup (semi-final) and League Cup (finalists), but more importantly the league Runners up spot was secured, which heralded promotion back to the Isthmian League.

A solid first season in the Isthmian South Central Division ended with a mid-table finish. With negotiations with Ealing Council for a new ground back in the town were seemingly heading in the right direction but a lack of progress over the last few months has left fans and club officials somewhat frustrated. All involved with Southall FC are hopeful of better times ahead.
