A message from our Youth Team Manager - Steve Kennedy

This year the Youth team took the opportunity to enter the Isthmian Youth league.

Vacancies in the league don't come up very often so me along with the committee and my coaching staff discussed transferring. After our end of season friendly with Aldershot last season it gave us an idea of the standards required, it will be tough as most opponents have a full-time football education scheme whereas we only have our players for a few hours a week. The new league does have more clubs with a first team in Step 4 or Higher and we hope the move will better prepare the boys for first team football.

The coaching staff with the Youth team will remain the same with Shaun Ryan and Jordan Berry two excellent coaches who the boys have really responded to picking up on their knowledge.

Alongside the Under 18 team we will be running a Under 16 Sandgate/Uxbridge development team who will play on a Saturday in the Junior Premier League the idea is we bridge the gap between Under 16 and Under 18 football and create a pathway for the boys. The team will be run by Stuart Riglin assisted by Danny Julienne whom many off you may know.

Finally, may I wish everyone at the club a fantastic season, the ground staff have worked tirelessly to get the training and main pitch in order, the board are working hard behind the scenes on ground development and of course have appointed a new first team manager. Good Luck to Danny, your staff and players for the hurdles that lay ahead.

Enjoy the match. We hope you have a safe journey home and look forward to seeing you all for the next home match on Monday 26th August 2019 @ 3.00pm when we take on **Staines Town** Thank you for all your support.

History - Chertsey Town FC

Organised football was evident in Chertsey well over a century ago but county affiliation did not take place immediately. The official founding of the club took place in 1890 when matches were played in the West Surrey League. The first success came in 1897 when the Surrey Junior Cup was secured. A one-year gap took place before football resumed in the same competition which eventually became the East and West Surrey League. A further halt in football took place during the Great War but soon after, in 1919, the club joined the Surrey Intermediate League where it stayed, uneventfully, until 1939 and a further break. An invitation to become founder members of the Surrey Senior League was not taken up in 1923 but membership was later assumed, on attaining senior status in 1946.

The club has played at various locations within the parish (Willow Walk, Free Prae Road, Staines Lane and Chilsey Green) before settling down at the present home in 1929. The suffix 'Town' was added to its title some 21 years later. The ground was donated by Sir Edward Stern as a football ground to the 'premier club in the parish'. Next door, a similar trust provides facilities for Chertsey Cricket Club. The main stand was constructed in the mid-fifties; the original clubhouse added in 1960 and the first covered enclosure was built some three years later. Cover behind one goal was added in 1994.

Although Chertsey gained membership of the Surrey Senior League immediately after the second world war, it was not until the 1959/60 season that success came with the league championship. This was repeated twice in the next three years, a halcyon period when the League Cup was also won on three occasions. Due to the static nature of amateur football in those days, the club could not progress to the preferred Corinthian League so, in 1963, it was controversially decided to turn professional and enter the Metropolitan League. Although an entertaining three years were then enjoyed, the cost was too much to bear and a return to the lower levels of the Greater London League for one season occurred before a further shift to the Spartan League was made in 1967.

Indifferent results then dogged the club for almost two decades. This situation was briefly relieved in 1974/75 when the club were league and league cup runners up to an up a coming Farnborough Town. Meanwhile, the fabric of the club was being built up behind the scenes and despite lack of prominence on the park, movement was made via the London Spartan (1975/76) and Athenian leagues through to the Isthmian family with a place in Division Two South in 1984. Instant relegation to the Combined Counties League was suffered but a rejuvenated side won promotion back to Isthmian ranks within the year whilst winning the League Cup on the way.

The club was rewarded with good league positions but further promotion denied at first. The worst season after returning to the Isthmians came when the two Division Twos were split in 1991 and a place in the new Division Three had to suffice. This position was quickly rectified with a runner's up slot the next season. The club also reached the quarter finals of the F.A. Vase, emulating a similar performance in 1987/88. One year later, 102 points and a runner's up promotion place to Division One was nailed. The League Cup was also secured together with the Carlsberg Trophy in the same campaign along with the League Charity Shield and the Isthmian 'Team of the Season' trophy.

Only one campaign was required in Division One before further promotion, to the Premier Division. The first season at that level was one of consolidation but the second was more difficult. A late rally was experienced, but was insufficient to avoid the drop to Division One. Two subsequent Division One campaigns saw comfortable but the third proved too difficult after a very poor first half of the season.

Relatively respectable positions were attained for the next two seasons and then a return to Division One, taking a place in the revised south section in the Isthmian re-organisation. The side was not able to compete at this level and relegation to Division Two was suffered in 2003. With the dissolution of the division, the club was allocated to Combined Counties League in 2006. Promotionally hopeful situations were created regularly over the five terms in that competition. Finishing as runners up in 2011 was good enough on that occasion to secure promotion to Division One Central of the Southern League. Unspectacular, but safe, performances were achieved for two seasons but relegation was suffered at the end of the 2013/14 season, and with it a return to the Combined Counties League where four modest seasons prevailed. The best set of results came during the last few weeks of 2018, prompting a return to better things in this current term.

The team manager's roll was taken over in mid-March 2018 by Dave Anderson. The Chairman is Steve Powers. The club also has a comprehensive and integrated junior section of boys from all ages.

Chertsey Town's nickname, the 'Curfews' is derived from a locally famous bell that hangs in the nearby St. Peters Church. The bell has rung out the evening curfew, now ceremoniously of course, for over five hundred years.

The story of a local heroine – Blanche Herriot and the bell can be seen here: http://en.wikipedia.org/wiki/Blanche_Herriot
