NEW year, new beginnings, as the saying goes, but for the fortunate few whose football seasons remain firmly on track, that's not always a necessity.

Managers tell us that momentum is everything in football so if your team are sitting pretty on top of the table when Big Ben chimes to signal the start of 2023 then the chances are they must be doing something right.

Here is our list of pacesetters going into the new calendar year and our summary of who they need to fend off to stay there.

National League

Notts County

Of the last 22 Christmas Day leaders, 13 have gone on to become champions.

Notts County will hope to make it 14 with Luke Williams' side seriously impressing in their 24 games so far, not least in their 4-1 Boxing Day win over Oldham Athletic.

But they have Wrexham breathing down their neck with a game, four points behind with a game in hand, while Chesterfield have two games spare, albeit 11 points back.

The Spireites led the way at this stage last season. Eventual champions Stockport County were tenth. There's a long way to go.

National League North

Darlington

Brackley were at the summit last Christmas and didn't go onto win the league either, or promotion. They're in the mix once again, just a point behind Alun Armstrong's side with a game in hand.

The Quakers had 22 points from 17 games on December 25 last year, this time it's 44 from 23.

A home defeat by Scarborough Athletic tightened things up even more with the Seadogs moving into third, two points adrift of their north-east rivals.

Chester are three points behind, as are King's Lynn Town, who have four games in hand over the leaders.

National League South

Dartford

The Darts shot to the top of the table by virtue of their mighty impressive 4-1 win at previous incumbents Ebbsfleet United.

In truth, Alan Dowson's men have played three games more than their Kent rivals but Fleet will be fearing the worst having also been top at Christmas last year and failed to win promotion.

Havant & Waterlooville lurk menacingly just two points back. Chelmsford City are fourth and eight points off Fleet.

NPL Premier

South Shields

Surely this year? The north-east side perhaps still feel aggrieved the 2019-20 season was declared null and void when they were cantering towards glory. Last season they were beaten in the play-offs. The decision to part ways with Graham Fenton and appoint Kevin Phillips caught many off-guard but the former Sunderland striker is faring well, with an FA Cup first round appearance earlier this season too.

Hyde United have played two games more and a three points adrift, Gainsborough Trinity are looking good, while Marine boss Neil Young has won this division before.

Bamber Bridge, FC United, the two Warringtons, Town and Rylands and Matlock Town...the list goes on of teams who aren't all that far back in a very congested division.

Isthmian Premier

Hornchurch

Mark Stimson's Hornchurch cling onto pole position, but only by the skin of their teeth after a 4-1 defeat at closest rivals Bishop's Stortford on Boxing Day.

Stortford, who also drew with third-place Potters Bar Town just before Christmas, now trail the Urchins by a single point with Cray Wanderers in third, two points further back but having played three games more. Newly-promoted Aveley's excellent first season at Step 4 continues, they lie fourth going into 2023.

Southern Premier Central

Tamworth

Andy Peaks left Rushden & Diamonds in a strong position to take over a struggling Tamworth side. This is why. Fast-forward a few months and the Lambs are fulfilling their potential and have the fans dreaming of a return to Step 2 and maybe even beyond.

Nuneaton Borough are three points behind but Leiston would leapfrog both of them if they win their two games in hand. Exciting stuff.

Southern Premier South

Weston-super-Mare

Scott Bartlett's Seagulls are in the box seat and have a game in hand on Truro City and Chesham United in what is looking like a three-horse race. Truro were held 3-3 by landlords Plymouth Parkway on Boxing Day, leaving them three points adrift. With Dayle Grubb in their ranks and in-form and experience elsewhere, Weston are always going to be a dangerous prospect with daylight between them and their rivals.

NPL Division One West

Macclesfield

When you've got players like Mark Duffy, who won promotion to the Premier League with Sheffield United as recently as 2019, along with other higher league experience including James Hardy, Alex Curran and Nicky Maynard – not to mention the resource to keep strengthening – this is where you expect to be. Macc probably wouldn't expect to be onto their third manager with player Neil Danns in interim charge following Danny Whitaker's sacking and Dave McNabb's recent departure because of work commitments. Odds on for sure though, they are five points clear of Leek Town in second.

NPL Division One East

Worksop Town

A 3-0 win over Carlton Town on Boxing Day stretched the Tigers' lead at the top to a massive 14 points. Another Step 4 side who have bags of higher league experience they will aim to put the hammer down to get to the line. Currently on an 18-game winning run. That's EIGHTEEN.

NPL Division One Midlands

Halesowen Town

The Yeltz are one of Non-League's most recognisable names and have been pushing for promotion for a while now. They even got to the FA Trophy semi-final during the covid season.

No team has fully taken this title race by the scruff of the neck just yet. The top four are separated by four points – Spalding United, a point behind in second, haven't lost a game yet – and there will be plenty of twists and turns to come.

Isthmian Division One North

AFC Sudbury

Nmamdi Nwachuku has hit 30 goals already this season as Rick Andrews' side build on last season's run to the FA Cup first round to sit four points clear at the top.

Joshua Stokes is another stand-out in this Yellows side and helped them to an important comeback win over YouTube sensations Hashtag United last month. Stowmarket Town, Andrews' former club, are 10 points behind with a game in hand.

Isthmian Division One South Central

Northwood

Top scorer Sydney Ibie has just landed a move to National League outfit Dagenham & Redbridge. Northwood will have to replace him but they can be pleased with their work so far.

They currently lead Walton & Hersham by four points, following the Swans' slip against Leatherhead on Boxing Day.

Marlow, Basingstoke Town and South Park complete the current top five.

Isthmian Division One South East

Ramsgate

Forward-thinking Ramsgate are looking to move in that direction on the pitch too. Their lead is narrow – three points over Chatham Town, who have a game in hand. Ashford United moved up to third on Boxing Day, level on points with Beckenham Town, who have lost only once in six games but Cray Valley PM, in fifth, are the current in-form side with six wins and three draws from their last nine.

Southern League Division One Central

Berkhamsted

Berko were second last Christmas and ultimately missed out in the play-offs. This year looks even better. Four points ahead of Biggleswade FC, who have played three games more, and five in front of Ware in third. Top scorers in the division, an 11-game unbeaten run was only ended by Ware but they're unbeaten in four since.

Southern League Division One South

Sholing

Dave Diaper's side are on the hunt for promotion from Step 4 again having gone close in the past before a bouncing between the Wessex Premier league a couple of times. They have a squad who has played together for years and won an FA Vase together.

Currently eight points clear of AFC Totton, but the Stags – with players like Scott Rendell in their ranks – have two games to make up. Tim Sills' Wimborne Town are four points further adrift.

UXBRIDGE FOOTBALL CLUB - HISTORY

In the late 19th century the game of "football" was growing in popularity and on the 3rd February 1871 a group of eminent local businessmen held the inaugural meeting of Uxbridge Football Club. A local solicitor, Mr William Gardiner, was elected as the Club's President and the club's colours were chosen as white shirts with a light blue Maltese cross and a light blue velvet cap with silver tassel. Friendly games against local opposition were played in the early years, until the FA Cup was entered in 1873. A First Round Victory over Gitanos set-up a Second-Round tie against eventual finalists Royal Engineers, which the Engineers narrowly won 2-1. It was at this time that Uxbridge could boast amongst its ranks a Full England International. Hubert Heron played for England on two occasions whilst an Uxbridge player before he moved to Wanderers FC where he gained further international honours. His brother Francis, formerly of Uxbridge, also played for England after joining him at Wanderers FC.

The club changed its colours to Oxford Blue and Cambridge Blue shirts in 1874 but they were in financial difficulties and folded later that year. The main problem for Uxbridge was the lack of a permanent home ground (a problem that was to plague them until the middle of the next century), the committee searched the town for a suitable base but were thwarted at every turn and they led a nomadic existence, moving ground every few years. The enthusiasm for a team in Uxbridge was still prevalent and the Club was reformed in 1879. In 1886 Uxbridge FC amalgamated with another local club, Uxbridge Crescents, and played under this name in season 1886/87, before reverting to plain old Uxbridge the following season. It was at this time that the Red Shirts, which are still worn today, were adopted and the nickname "The Reds" was born. Their first trophy was won in 1889 when they lifted the West Middlesex Cup, defeating Colnbrook 1-0 in the Final. The end of the 19th century was a particularly successful period for The Reds as they won the West Middlesex Cup on three further occasions and also won the prestigious Middlesex Senior Cup twice. In 1894 they beat the 3rd Grenadier Guards 2-0 and repeated that success two years later with a 3-2 victory over local rivals Southall in a replay in front of over 5000 spectators. The outstanding achievement however was in reaching the final of the F.A. Amateur Cup in 1898. This was the club's first season in the competition and they had to win eight ties before meeting Middlesbrough in the final at Crystal Palace.

Unfortunately, their North East rivals proved too strong for them on the day and ran out 2-0 winners. During this successful period for the club they became founder members of Division Two of the Southern League in 1894, finishing fourth in their first four seasons. However, in season 1898/99 they finished next to bottom and the dwindling crowds (averaging around 500) meant that financially the club was once again in trouble. A decision was therefore taken to withdraw from the Southern League and join the local Middlesex League to try and stabilise the club. However, a majority of the more talented players joined other clubs and they struggled in their new surroundings, finishing bottom with only one point from their 14 games. At the end of the season the club had a deficit of £130 and with few players the club once again folded.

For two years much fund raising amongst the local community finally saw the club's debts paid and the reformed Uxbridge FC joined the West Middlesex League for the 1902/03 season. In 1904 the Great Western Suburban League was entered and here they stayed until the outbreak of the First World War. Their best finish during this period was as Runners-up to Brentford Reserves in 1910/11. They also won the Middlesex Charity Cup on two occasions in 1908 and 1913, as they looked to re-establish themselves as a force in the football world. Following the end of hostilities Uxbridge joined the Athenian League and added "Town" to their name. An unsuccessful first Athenian League campaign saw them relegated back to the Great Western Suburban League in 1920. A successful four seasons saw them back in the Athenian League in 1924 where they remained until 1937.

The Middlesex Charity Cup was won for the third time in 1935 as Finchley were beaten 4-3. Two poor seasons saw them finish bottom of the Athenian League in 1936 and 1937 and the club failed to be re-elected. They joined the Spartan League for the 1937/38 season, dropping "Town" from their name at the end of the campaign stood proudly at the summit.

Championship celebrations however were cut short when it was discovered that The Reds had played an ineligible player and were deduced six points, placing them in third position behind Champions Marlow. Following the debacle of their one and only season in the Spartan League they resigned and joined the London League prior to the Second World War.

During the war years they continued to play and joined the newly formed Great Western Combination League before re-joining the London League in 1945, finishing as Runners-up to Edgware Town. Uxbridge were founder members of the Corinthian League in 1946 and remained in this league for the next seventeen years. Finally, in 1948, after over three quarters of a century of searching, a ground of their own was purchased. A piece of land in Cleveland Road, Cowley was bought for £5,800 by then President Mr W.S. Try. The ground was named after a large house that stood on the land and "Honeycroft" was the new home of Uxbridge Football Club. During this period, they won their only Championship to-date when they were crowned Corinthian League Champions at the end of the 1959/60 season. They also won the Middlesex Senior Cup for the third time in 1951 when they defeated Hayes 2-1.

This was a successful period in the club's history as they finished in the top five of the Corinthian League on no less than eight occasions and crowds were averaging around the thousand mark. A re-organisation of non-League football saw the end of the Corinthian League in 1963 and club found itself once again in Division One of the Athenian League. This was a lean time for The Reds, they were relegated to Division Two in 1967 and financial problems once again beset them. They gained national publicity in 1976 when England were looking for a side to play as part of their warm-up for the forthcoming World Cup campaign. Uxbridge took on a full-strength England at Wembley, losing 8-0.

The ground problems that had blighted Uxbridge throughout their history surfaced once again and the club had to find a new home. In 1978 they moved to their current headquarters in Horton Road, Yiewsley. A former works Sports & Social Club they have developed the site to the superb standard you see today.

Over the past 43 years they have added floodlights (opened by the visit of Arsenal in 1981), new stands, fencing and in more recent times a new clubhouse was opened and car park laid. On the playing front the club won the Middlesex Charity Cup for the fourth time in 1982, their first silverware for 31 years, and moved to the Isthmian League in the same year, winning promotion to Division One in 1985. The Final of the AC Delco Cup (League Cup) was reached in 1986, where they met Premier Division Champions Sutton United. The Reds failed to stop Sutton completing "The Double" though, losing 3-1 in the Final in front of over a thousand spectators at Imber Court, the home of Metropolitan Police FC, Uxbridge entered the London Challenge Cup for the first time in the 1992/93 season and hence followed a love affair between the Reds and the magnificent trophy. In the eight seasons they entered the competition they reached five finals, winning on three occasions in 1994, 1997 and 2000.

They won the Middlesex Senior Cup for the fourth time in 2001, defeating Harrow Borough 3-0 in the Final held at Honeycroft. In 2004 the club were moved across the pyramid to the Southern League and have reached the Play-Offs on three occasions.

In 2004/05 they lost on penalties, after leading Maldon Town in extra-time, in 2007/08 they narrowly lost 0-1 at Oxford City and in 2011/12 they lost 2-1 at Bedworth United in the Semi-Finals. In 2018 Uxbridge were moved back across the pyramid, re-joining the Isthmian League in the South Central Division.

They have won the Middlesex Charity Cup on three more occasions in the last eight years. Defeating Brentford in 2013, Wembley in 2014 and Ashford Town (Middlesex) at Hanwell Town FC in 2019.

In the summer of 2016, the Club lost one of its stalwarts when long serving President Alan Odell passed away. Alan had been associated with The Reds for over 80 years, firstly as a supporter and player in his youth, before serving in various official duties as a committee member. He is sadly missed.

In 2019 Uxbridge appointed only their sixth manager over the past 51 years. Ron Clack was in charge for 18-years from 1970, followed by Peter Marshall for one season, Michael Harvey for three, before George Talbot took the reins for fourteen seasons in 1992. In 2006 Tony Choules became the man in charge, being replaced by our current manager Danny Edwards in 2019.

Danny is a UEFA A licensed coach who spent 15 years as manager of Chalfont St Peter AFC. He steered Chalfont St Peter to Step 4 of the league system in 2011, as well as reaching the 3rd Qualifying Round of the Football Association Challenge Cup on three occasions. Danny has with him a confident team which includes Fred Cummings as his Assistant Manager. Fred is well known to the followers of the Red Army as a combative centre half with 320 First Team appearances for Uxbridge in the 1980's.

Last season was the most successful in terms of league position since 2014/15 as we finished 6th missing out on the playoffs by one place we also won the Middlesex Charity Cup last season, beating Hanwell Town in the final, for the 4th time in the last 9 years

BEDFONT SPORT CLUB HISTORY

Bedfont Sports Club was founded in 2002, when with considerable help from the local Council a lease was taken out on the near derelict Hatton Road Recreation Ground.

The only building on the site was refurbished to allow use as a bar and clubhouse on the ground floor and changing rooms on the upper one. Most of this work was carried out or supervised by the Chairman Dave Reader. Much work was also done to the playing area to provide playable pitches for Bedfont Sports on Saturdays and Bedfont Sunday, one of the oldest Sunday teams in Middlesex, on Sundays. To give the Club a junior section Bedfont Eagles, formed in 1978, joined the two adult Clubs a short time later.

Bedfont Sports started in the Hounslow and District League for two seasons and then joined the Middlesex County Football League, this being a feeder League to Step 5. More work was needed to enable the team to play in the Premier Division of the MCFL to which they gained promotion in 2004/05. After many ups and downs promotion was finally achieved to the Combined Counties in season 2008/09.

In the Combined Counties League Bedfont gained promotion to the Premier Division in season 2011/12 and have spent the past few seasons consolidating that position.

During this time, the club worked hard to raise funds to upgrade our facility to one of the best in Middlesex. In 2010 we started work on Flood Lights and a new dressing room block was built together with a 3G five a side pitch and an 11v11 3G pitch along with over 750 seats in 4 stands on all 4 sides of the ground, which now complete gives us one of the best facilities not only in Middlesex but in the south of England.

Bedfont Sports is a true Community Club catering for 25 Junior Teams. a girl's section, 2 Bedfont Sunday teams and our 1st Team who last season were promoted to the Bostik League and step 4 football

The Youth Section is particularly vibrant playing in the Bostik Youth League (currently Top of the Division) and having won the Middlesex County Senior Cup back in 2015 and lost in last year's final.

We are very proud that our Youth teams have been homegrown from Bedfont Eagles and with some real talent coming through this will continue for years to come.

A Club such as Bedfont Sports could not exist without sponsors so a big thank you to them and to the volunteers who give their time on match days and to the marking and upkeep of the ground and facilities.

In November 2020 we lost our leader, David Reader who passed away. He left a massive hole in the club and our community which we are still recovering from now. David was a true grass roots hero, building the club from nothing to make sure children in the community not only had somewhere to play, but also have the very best facilities.

His legacy will live on through every Bedfont Eagle that wears the shirt and I'm sure he is with us at every game, kicking every ball and as he always said, trying to suck it in at the other end !!
