# **SOUTH CENTRAL NEWS**

## **(Friday 6<sup>th</sup> March 2020)**

**We've a South Central battle for the title, a battle for the playoffs featuring perhaps eleven sides, and a battle against relegation. Here's our preview of an action-packed (weather permitting) Saturday.**

Our leaders Ware are three points clear and eight games unbeaten, but they will also be more than aware that second place Hanwell Town are breathing down their necks and have two games in hand. The boys in Blue can't afford to slip up at Hertford Town this weekend, but will also be mindful that last time out Town became the first side to defeat Chipstead since the end of November, and will be no pushovers. The sides have already met twice this season, the league match at Wodson Park ending in a three-three draw and a Velocity Trophy tie at the same venue ending three-one to the hosts, so there will be no secrets- but perhaps we shouldn't rule out a surprise.

The Geordies are at home once more, and face Tooting and Mitcham United. The Terrors have only one point from their last five matches and really need to start winning if their chances of the playoffs aren't going to evaporate. They are five points off the top five, but they do have a game in hand over everyone currently in a playoff place. Hanwell have been in fine form of late, with four consecutive victories, six matches unbeaten, and fifteen goals in their last four- including six against Waltham Abbey last time out. They've already had a successful week, winning Manager of the Month and Performance of the Month for February, and will hope those prizes don't come with a curse attached!

By the way, that's Hanwell 's irrigation system in the headline image. We suspect they won't need it this weekend.

Third place Westfield have slipped to six points behind the Geordies and nine behind Ware- although, like Town, have two games in hand over the top side. They host our match of the day as fourth place Chertsey Town arrive in Woking Park. The Curfews are eight games unbeaten and have won six of them, and have been scoring goals for fun, twice getting six and twice four during that run. Field have steadied the ship after a blip and are unbeaten in four, with two wins and two draws. When the two-last met it ended all square, two-all.

Uxbridge, in fifth, have a Piccadilly Line derby as they travel to Bedfont Sports. The visitors have lost only one of their last nine, but Sports are also in good form, and come into the match four games unbeaten. Uxbridge, however, have won more matches on the road than any other side in the Division.

# SOUTH CENTRAL NEWS

Bracknell Town are our form side. Unbeaten since early December and with eight wins and two draws from their last ten, the Robins scored seven goals in defeating Staines Town last weekend, and will perhaps be looking forward to the visit of Harlow Town, who have lost their last four matches- and seven of their last ten. Can the Hawks halt their slide? Find out at Larges Lane. Bracknell could climb into the top five with victory.

It's difficult to know what to make of Waltham Abbey, who conceded six goals last time out, just a week after they scored seven of their own. The Abbots, who have slipped to seventh, travel to face FC Romania, the Wolves third from bottom and three points clear of the drop zone- but who got an impressive draw with high-flying Chertsey last time out.

Marlow host Chipstead. The Chips lost an unbeaten run that stretched back three months with defeat at Hertford last time out, and will hope to quickly recapture that form, whilst Marlow have only lost one of their last nine matches and will, as always, be incredibly difficult to beat.

Barking, who start the day in tenth place, six points off the playoffs, host South Park at Mayesbury Park. The Blues have developed an inconsistency of late, their last six matches ending lost-won-lost-won-lost-won, but they will hope to buck that trend against a Sparks side who have lost their last five games.

Chalfont St Peter host Staines Town. Only six places separate the sides, but if that gap is measured in points it comes to twenty-one, the rock-bottom Swans without a win since November 19th. There have been a number of changes to the Staines squad since they last met on 16th November, a match which gave the Swans their best moment of the season and a six-one win. Neither side have been in good form of late, but the Saints did win their last match, defeating Harlow Town by a single goal.

Nineteenth hosts seventeenth as Northwood welcome Ashford Town. Both sides have shown improvement of late, the Tangerines winning two, drawing two and losing two of their last six whilst the Woods moved off the bottom with a victory over Marlow; although they then followed that with a one-nil defeat to the same side. Northwood are three points ahead of last place Staines Town, the Tangerines one point better off.

## **A BRIEF HISTORY OF BARKING**

We continue our footballing journey in the Isthmian League after our return in 2017 following a gap of 13 seasons.

Our renaissance started when Mick O'Shea and Rob O'Brien took us into third place in the Essex Senior League in 2014/15 and the winning the Gordon Brasted Memorial Trophy. This progress was maintained in 2016/17 when Glen Golby and Steve Willis led us to win the Essex Senior League championship and promotion back to the Isthmian League. Our present manager Justin Gardner took us to tenth place in 2017/18, thus justifying our promotion and our highest finish since 2005/06.

### **EARLY DAYS**

The ancient abbey town and fishing port of Barking has been represented by a football team since at least 1880 and we are the longest established football club borough of Barking and Dagenham. Barking's colours of Royal Blue are said to originate from the Short Blue fishing fleet which plied the oceans from Barking Creek for many years and supplied London with fish.

In 1880 the Barking Rovers club was formed, playing on Eastbury Field, and is known to have existed until at least 1890. The Vicarage Field ground was opened in 1884 with a match against Ilford which Rovers won 2-0 but in 1889 Barking Rovers were accused of damaging the Vicarage Field cricket pitch and were forced to return to Eastbury Field. Barking Woodville from Forest Gate became known as Barking Woodville and moved to the Vicarage Field in 1896 and appear to have disbanded in 1900 when the Vicarage Field lease expired. The Vicarage Field was then occupied by Barking Institute, formed in at least 1896 as Barking Working Lads' Institute, as the local Church Institute were involved in running it with the name being changed to Barking Institute. Barking Institute's name changed to Barking in 1902. The name was changed again to Barking Town from 1919 to 1932, reverting to Barking until 2001 when changed again to Barking and East Ham United for five seasons.

The club progressed to the South Essex League from 1900/01 and the London League from 1909/10, playing in both for several seasons (leagues were smaller in those days). In 1912 their application to join the Isthmian League was rejected but they had been founder members of the Athenian League in 1911, resigning after only two matches, having been fined for not fielding the strongest possible team, and not re-joining until 1923. During the Second World War matches in the South Essex Combination were played at the Merry Fiddlers Ground, Dagenham as the Vicarage Field was converted to an anti-aircraft site and all matches in 1945/46 were played away.

## **A BRIEF HISTORY OF BARKING**

### **ISTHMIAN LEAGUE YEARS**

Barking were invited to join the Isthmian League in 1952 and in 1978/79 under Eddie McCluskey won the championship and were named FA Non-League team of the year. Floodlights were installed at the Vicarage Field in 1958 and Barking was the first club to play an Isthmian League match under its own lights. In 1973 Barking were required to leave the Vicarage Field by the council and were leased the present ground. In June 1990 the Isthmian league's ground grading committee deemed that Mayesbrook Park was unfit for Premier division football and at the league's AGM there was a vote whether or not to relegate Barking which was won by eight votes. However, this was a temporary reprieve as in the next season after 39 years at Premier Division level, the club suffered the first relegation in its history and in 1996 relegated to Division 2. Promotion back to Division 1 was won in 2000/01. Following restructuring Barking played in the Southern League Division 1 East in 2004/05 and 2005/06, reaching the play offs in both seasons. In 2007, following the tragic death of chairman Peter Webster in late 2004 and the subsequent liquidation of the parent company, the club was demoted to the Essex Senior League in 2006.

### **CUP SUCCESS**

Barking's lost 3-1 to Leyton at Millwall FC in the 1926/27 FA Amateur Cup final, and a total of ten appearances in the last eight of the Amateur Cup was made, from which we progressed to one final and three semi-finals. We have played in the FA Cup since 1895/96, but Oxford United are the only professional club's first team who has been defeated in a 1979 FA Cup tie, in two ties against Gillingham separated by 55 years the professionals required two matches on each occasion to progress. We have reached the second round proper a total of four times. In the FA Vase in 1996/97 Barking reached the fifth round (last 16) and were narrowly defeated by a single goal at Mossley. The Essex Senior Cup final has been reached 14 times, of which seven were won, and the London Senior Cup has been won four times in seven finals. A memorable success came in 1996/97 when the Essex Thameside Trophy against Canvey Island was won with the 22nd taken from the penalty spot. Barking triumphed by 8 to 7 and the final kick was successfully converted by Uzodimma Agbasonu.

### **THE PROFESSIONAL GAME**

Over 40 Barking players have gone on to the professional ranks and the most recently famous old boys are in no particular order: Kevin Hitchcock, Darren Purse, Lamar Reynolds, Jack Leslie (probably Barking's first black player), James Dillimore (Millwall), Harold Halse, Len Casey, Peter Carey, Mark Lazarus, Laurie Abrahams. George Shalders, Joe Hawkins and Jack Tresarden (West Ham United and capped in 1923) who played for "The Hammers" in the first Wembley cup final in 1923.

## A BRIEF HISTORY OF BARKING

### OUR BOBBY

Our most famous ex player is of course Bobby Moore, the West Ham United and World Cup winning England captain. He never played for our first team but research supported by the memories of our late president, Ron Debenham, has indicated that he played for our A (third/youth) team before being signed by West ham at a young age. The programme for a charity match in 1969 played at the Vicarage Field states Bobby “decided to play on the pitch where he had previously appeared as a member of Barking’s ‘A’ team”. This was corroborated in 2015 by former Barking player Alan Batten, who played alongside Bobby in our A team in 1954/55 which was subsequently wound up and Bobby moved on to West Ham United. Bobby’s parents had been active members of Barking FC Supporters’ Club and organised the transport, comprising fleets of coaches and even a special train in those days, to away matches.

### FOR THE RECORD

Among the club records is an unbeaten run of 17 games in 1968/69 which was almost matched by a run of 15 matches in 1996/97. In the light of modern complaints about fixture congestion it is of interest to note that Barking played 14 games in April 1927, losing only four of them. The club record run of unbeaten league games is 23 set by the reserves in 2011/12 which comprised the whole league season and one game from the next.

### Barking FC Pen Profiles

**Montel Joseph** – A young imposing goalkeeper who joins us for a second spell after making seven appearances last season. His previous clubs include Cheshunt and Harlow.

**Ricky Tarbard** – Barking’s Mr Reliable. A young fullback (predominantly on the right) who was a part of our Essex Senior League triumph in 2016/17 season. Ricky came through the reserves before being promoted to the first team where he has now made over 180 appearances.

**Joe Bruce** – Joe is a veteran defender who made 31 appearances last season in a Barking shirt. Joe was also our first-choice penalty taker last season including a hat-trick of penalties against Tower Hamlets in the London Senior Cup. His previous clubs include Grays, Hemel Hempstead and Thurrock.

## Barking FC Pen Profiles

**Jordan Peart** – A pacey full back who re-joins the club after a short spell this season at Heybridge Swifts. A fan favourite who was also awarded Managers Young Player of the Year last season. Jordan has also played Aveley.

**Jack Hayes** – A centre back who is playing in his first season at this level. Jack joins us from Coggeshall United where he made 36 appearances scoring five goals as his side finished second in the league. Jack has also appeared for Stansted.

**Daniel Flemming** – An imposing centre back who made an impressive debut against Aveley FC in the FA Cup. Daniel joined us from Ramsgate and has also appeared for Fisher FC.

**Tyrone Kirunda** – A young defender who can play at either left-back or centre-back. Tyrone was at Charlton as a youth and has also spent time with both Bromley and Wingate & Finchley.

**Max Bradford** – Midfielder who joins us after a few seasons out of the game with injury. Max made his debut in a Barking shirt in a Velocity Trophy tie against Brentwood Town. Max's previous clubs include Aveley and Great Wakering Rovers.

**Sam Owusu** – A box to box midfielder who has re-joined Barking for his second spell after making 29 appearances in the Essex Senior League during the 13/14 season and the 14/15 season. Between his two spells Sam has spent time in the Isthmian League for Witham Town.

**Donnell Anderson** – A young ball playing midfielder who is a new signing for this season. Donnell has made appearances in the National League for Maidstone and also for Cray Wanderers.

**Emmanuel Ighorae** – A dangerous winger who is adept at beating the defender and getting dangerous crosses into the box. Emmanuel made 6 appearances for Barking last season on loan from Dartford and also made appearances for Merstham.

**Johnny Ashman** – A winger known for his delivery and went viral on social media last season for an impressive set piece goal. Johnny is well known to Barking fans for his impressive performances against Barking as a Clapton player in the Essex Senior League but spent last season at Witham Town.

**Steven Sardinha** – An imposing playmaker who like Johnny Ashman was part of the Clapton side who gave Barking some sleepless nights as they run Barking close to the Essex Senior League title. Injuries have hampered his previous seasons but he has spent the last few seasons with Dulwich Hamlet and Leatherhead.

**Junior Dadson** – A prolific pacey winger who won the Isthmian South East last season with Cray Wanderers. Junior's former clubs include Harlow and Aveley.

**Giovanni Palmer**- A pacey winger who has joined from Romford after the takeover by Glenn Tamplin. Gio spent last season with Clapton before joining Romford at the start of 19/20 season. Scored on debut in a Barking shirt as a substitute v Hertford Town as the Blues won 4-1.

## **Barking FC Pen Profiles**

**Dumebi GB-Dumaka** – Another returning player. “Dee” rose through our Reserves to become a permanent fixture in our first team scoring 43 goals in 73 games. Dee then moved up the ladder plying his trade and impressing for Grays and Heybridge Swifts. Dee moved to Maidstone where he scored a late equaliser in a National League play-off final which they eventually won. A few injuries mean he has made his way back to us hoping to get a footing back in football.

**Michael Dixon** – A strong striker who scored on debut for Barking with a towering header against FC Romania. Michael was part of a promotion winning Tooting & Mitcham side previously and has also spent time at Corinthian Casuals.

**Kevin Songolo** - Tall defender signed from Tilbury in January and made his debut in the Essex Senior cup clash against Dagenham & Redbridge. Good in the air and possesses quick feet.

The Isthmian Football League strongly supports the FA statement that there should be a zero-tolerance approach against racism and all forms of discrimination. Accordingly, any form of discriminatory abuse whether it be based on race or ethnicity, sexual orientation, gender, faith, age, ability or any other form of abuse will be reported to The Football Association for action by that Association.
