Accordingly, any form of discriminatory abuse whether it be by reason of age, disability, gender reassignment, race, religion and belief, marriage and civil partnership, pregnancy and maternity, sex and sexual orientation or any other form of abuse will be reported to The Football Association for action by that Association." MANAGERS have this saying which is often spilled during the second half of the season that baffles and amuses us journalists in equal measure.

Some say it more regularly than others, some more genuinely than others, but the fact of the matter is – and whisper it quietly - that we actually don't believe a word they say.

Asked how they assess their team's current form or overall league position, it's quite commonplace to receive a response along the lines of: "I don't look even at the league table until around Easter".

So, I ask myself a) does a manager really not compare his team's fortunes to that of their rivals until three quarters of the season have passed; and, if so, at what point do they finally cast their eye over the standings?

Are we scoring enough goals? Are we conceding too many? Are our rivals outperforming us? One glance at a league table can answer all.

Nine times out of ten, a winning manager will not need to scroll down on their digital subscription to The NLP on a Sunday morning or rush out to the local newsagents, they know themselves whether their team have been good enough to compete in the higher reaches of the division.

One only hopes, however, that Notts County boss Luke Williams is not one of those managers who vow not to regularly check his side's progress.

Losing just two their 41 matches this season, scoring 103 goals along the way, Williams and his Magpies would be celebrating an emotional return to the Football League any other season, but in the most exciting two-horse title race in the National League for years, they don't even find themselves on top of the pile.

That honour is bestowed on Wrexham, who lead by three points with a game in hand going into the Easter weekend. Monday's game between the two at the Racecourse Ground promises to be an absolute classic, dare I suggest, the biggest game in Non-League history?

The fact that neither Williams or Parkinson aren't the first managers to be celebrating a promotion or title-winning campaign up and down the country shows just how many top performances we have enjoyed so far this term.

By our reckoning, Worksop Town were the first English champions of 2022-23 after sauntering to the Northern Premier League East division having lost just once all season.

They were followed on top of the winners' rostrum by North Ferriby, who continued their rise back to the top tiers by clinching the Northern Counties East Premier division, similarly Macclesfield FC, who made it back-to-back promotions from Step 5 to Step 3 by cruising to the Northern Premier League West title.

And then there's Berkhamsted, who are also celebrating title success after a storming campaign in Southern League Division Once Central.

One thing's for sure, the Easter bunny will be delivering more title success this weekend with the likes of Ebbsfleet United and South Shields among a number of clubs chasing confirmation this Bank Holiday.

One thing's for sure, you can be certain that Fleet boss Dennis Kutrieb and Mariners chief Kevin Phillips will have lived through every permutation and will know exactly what their teams have to do to ensure success.

UXBRIDGE FOOTBALL CLUB - HISTORY

In the late 19th century the game of "football" was growing in popularity and on the 3rd February 1871 a group of eminent local businessmen held the inaugural meeting of Uxbridge Football Club. A local solicitor, Mr William Gardiner, was elected as the Club's President and the club's colours were chosen as white shirts with a light blue Maltese cross and a light blue velvet cap with silver tassel. Friendly games against local opposition were played in the early years, until the FA Cup was entered in 1873. A First Round Victory over Gitanos set-up a Second-Round tie against eventual finalists Royal Engineers, which the Engineers narrowly won 2-1. It was at this time that Uxbridge could boast amongst its ranks a Full England International. Hubert Heron played for England on two occasions whilst an Uxbridge player before he moved to Wanderers FC where he gained further international honours. His brother Francis, formerly of Uxbridge, also played for England after joining him at Wanderers FC.

The club changed its colours to Oxford Blue and Cambridge Blue shirts in 1874 but they were in financial difficulties and folded later that year. The main problem for Uxbridge was the lack of a permanent home ground (a problem that was to plague them until the middle of the next century), the committee searched the town for a suitable base but were thwarted at every turn and they led a nomadic existence, moving ground every few years. The enthusiasm for a team in Uxbridge was still prevalent and the Club was reformed in 1879. In 1886 Uxbridge FC amalgamated with another local club, Uxbridge Crescents, and played under this name in season 1886/87, before reverting to plain old Uxbridge the following season. It was at this time that the Red Shirts, which are still worn today, were adopted and the nickname "The Reds" was born. Their first trophy was won in 1889 when they lifted the West Middlesex Cup, defeating Colnbrook 1-0 in the Final. The end of the 19th century was a particularly successful period for The Reds as they won the West Middlesex Cup on three further occasions and also won the prestigious Middlesex Senior Cup twice. In 1894 they beat the 3rd Grenadier Guards 2-0 and repeated that success two years later with a 3-2 victory over local rivals Southall in a replay in front of over 5000 spectators. The outstanding achievement however was in reaching the final of the F.A. Amateur Cup in 1898. This was the club's first season in the competition and they had to win eight ties before meeting Middlesborough in the final at Crystal Palace.

Unfortunately, their North East rivals proved too strong for them on the day and ran out 2-0 winners. During this successful period for the club they became founder members of Division Two of the Southern League in 1894, finishing fourth in their first four seasons. However, in season 1898/99 they finished next to bottom and the dwindling crowds (averaging around 500) meant that financially the club was once again in trouble. A decision was therefore taken to withdraw from the Southern League and join the local Middlesex League to try and stabilise the club. However, a majority of the more talented players joined other clubs and they struggled in their new surroundings, finishing bottom with only one point from their 14 games. At the end of the season the club had a deficit of £130 and with few players the club once again folded.

For two years much fund raising amongst the local community finally saw the club's debts paid and the reformed Uxbridge FC joined the West Middlesex League for the 1902/03 season. In 1904 the Great Western Suburban League was entered and here they stayed until the outbreak of the First World War. Their best finish during this period was as Runners-up to Brentford Reserves in 1910/11. They also won the Middlesex Charity Cup on two occasions in 1908 and 1913, as they looked to re-establish themselves as a force in the football world. Following the end of hostilities Uxbridge joined the Athenian League and added "Town" to their name. An unsuccessful first Athenian League campaign saw them relegated back to the Great Western Suburban League in 1920. A successful four seasons saw them back in the Athenian League in 1924 where they remained until 1937.

The Middlesex Charity Cup was won for the third time in 1935 as Finchley were beaten 4-3. Two poor seasons saw them finish bottom of the Athenian League in 1936 and 1937 and the club failed to be re-elected. They joined the Spartan League for the 1937/38 season, dropping "Town" from their name at the end of the campaign stood proudly at the summit.

Championship celebrations however were cut short when it was discovered that The Reds had played an ineligible player and were deduced six points, placing them in third position behind Champions Marlow. Following the debacle of their one and only season in the Spartan League they resigned and joined the London League prior to the Second World War.

During the war years they continued to play and joined the newly formed Great Western Combination League before re-joining the London League in 1945, finishing as Runners-up to Edgware Town. Uxbridge were founder members of the Corinthian League in 1946 and remained in this league for the next seventeen years. Finally, in 1948, after over three quarters of a century of searching, a ground of their own was purchased. A piece of land in Cleveland Road, Cowley was bought for £5,800 by then President Mr W.S. Try. The ground was named after a large house that stood on the land and "Honeycroft" was the new home of Uxbridge Football Club. During this period, they won their only Championship to-date when they were crowned Corinthian League Champions at the end of the 1959/60 season. They also won the Middlesex Senior Cup for the third time in 1951 when they defeated Hayes 2-1.

This was a successful period in the club's history as they finished in the top five of the Corinthian League on no less than eight occasions and crowds were averaging around the thousand mark. A re-organisation of non-League football saw the end of the Corinthian League in 1963 and club found itself once again in Division One of the Athenian League. This was a lean time for The Reds, they were relegated to Division Two in 1967 and financial problems once again beset them. They gained national publicity in 1976 when England were looking for a side to play as part of their warm-up for the forthcoming World Cup campaign. Uxbridge took on a full-strength England at Wembley, losing 8-0.

The ground problems that had blighted Uxbridge throughout their history surfaced once again and the club had to find a new home. In 1978 they moved to their current headquarters in Horton Road, Yiewsley. A former works Sports & Social Club they have developed the site to the superb standard you see today.

Over the past 43 years they have added floodlights (opened by the visit of Arsenal in 1981), new stands, fencing and in more recent times a new clubhouse was opened and car park laid. On the playing front the club won the Middlesex Charity Cup for the fourth time in 1982, their first silverware for 31 years, and moved to the Isthmian League in the same year, winning promotion to Division One in 1985. The Final of the AC Delco Cup (League Cup) was reached in 1986, where they met Premier Division Champions Sutton United. The Reds failed to stop Sutton completing "The Double" though, losing 3-1 in the Final in front of over a thousand spectators at Imber Court, the home of Metropolitan Police FC, Uxbridge entered the London Challenge Cup for the first time in the 1992/93 season and hence followed a love affair between the Reds and the magnificent trophy. In the eight seasons they entered the competition they reached five finals, winning on three occasions in 1994, 1997 and 2000.

They won the Middlesex Senior Cup for the fourth time in 2001, defeating Harrow Borough 3-0 in the Final held at Honeycroft. In 2004 the club were moved across the pyramid to the Southern League and have reached the Play-Offs on three occasions.

In 2004/05 they lost on penalties, after leading Maldon Town in extra-time, in 2007/08 they narrowly lost 0-1 at Oxford City and in 2011/12 they lost 2-1 at Bedworth United in the Semi-Finals. In 2018 Uxbridge were moved back across the pyramid, re-joining the Isthmian League in the South Central Division.

They have won the Middlesex Charity Cup on three more occasions in the last eight years. Defeating Brentford in 2013, Wembley in 2014 and Ashford Town (Middlesex) at Hanwell Town FC in 2019.

In the summer of 2016, the Club lost one of its stalwarts when long serving President Alan Odell passed away. Alan had been associated with The Reds for over 80 years, firstly as a supporter and player in his youth, before serving in various official duties as a committee member. He is sadly missed.

In 2019 Uxbridge appointed only their sixth manager over the past 51 years. Ron Clack was in charge for 18-years from 1970, followed by Peter Marshall for one season, Michael Harvey for three, before George Talbot took the reins for fourteen seasons in 1992. In 2006 Tony Choules became the man in charge, being replaced by our current manager Danny Edwards in 2019.

Danny is a UEFA A licensed coach who spent 15 years as manager of Chalfont St Peter AFC. He steered Chalfont St Peter to Step 4 of the league system in 2011, as well as reaching the 3rd Qualifying Round of the Football Association Challenge Cup on three occasions. Danny has with him a confident team which includes Fred Cummings as his Assistant Manager. Fred is well known to the followers of the Red Army as a combative centre half with 320 First Team appearances for Uxbridge in the 1980's.

Last season was the most successful in terms of league position since 2014/15 as we finished 6th missing out on the playoffs by one place we also won the Middlesex Charity Cup last season, beating Hanwell Town in the final, for the 4th time in the last 9 years.

BINFIELD CLUB HISTORY

Binfield FC first played in 1892, during the reign of Queen Victoria, making us one of the oldest Association Football clubs in the world! The team comprised young men from the local brickworks and those who worked on the land around Binfield. The club's early years were spent in the Ascot and District League, where we enjoyed many successful seasons winning the Fielden Cup for the first time in 1924 and on eleven further occasions since.

During the 2nd World War, we joined the Great Western Combination League, winning the championship in 1947. During that period we also won the Berks and Bucks Junior Cup and the Maidenhead Norfolkian Cup and it was not unusual to see crowds in excess of 1,000 at our Forest Road ground.

In 1950 we joined the Reading and District League, where we remained for the next forty years. In 1972 Binfield won promotion to the Premier Division for the first time and although relegated two years later we returned in 1976 as 1st Division Champions. A huge crowd, reminiscent of the 1940's, packed Forest Road to witness our promotion. In 1980, the club made an important decision to move from Forest Road, where facilities were shared with the cricket club, to our current site in Hill Farm Lane. Turning that field into the football ground we see today was a massive task. Thanks to an enormous amount of physical work by the members of the club the area was levelled and drained within three years. The members then set about building the club house. This progress off the field was matched on it when in 1987 and 1988 we won Division 2 and then Division 1 of the Reading and District League. In 1989, we joined the high-profile Charrington Chiltonian League, winning the Division 1 title at the first attempt – a feat we repeated in 1996 - and reaching the final of the League Cup. The following year we finished runners-up to Peppard, despite remaining unbeaten from November until the end of the campaign.

In 2001 we merged with Binfield's junior club, Binfield Forest FC, and in doing so significantly increased the membership, with over 20 teams playing every weekend – this season we will field 36 teams each week. The junior part of the club is very important to Binfield with FA Charter status having been achieved in 2007 and in 2013 we were awarded the Berks & Bucks FA and South East Regional FA Charter Status Community Club of the Year awards, culminating in the club being invited to the FA Community Shield at Wembley in August 2013.

Since 2005, progress at the club has been swift, with the addition of floodlights and later a seated stand. The club is tirelessly working to improve our facilities with our "continuous improvement" plan making further change to the car park, to the club house and a new stand around our Tea Bar. We constantly strive to improve all elements of the facilities from changing rooms to a playing surface we are extremely proud of, to benefit everyone from our Under 6s up to our 1st Team We won the FTL Hellenic League Division 1 East title in 2008-09 and gained promotion to the next level of English football, where we finished runners up in the 2010/11 UHlsport Hellenic Premier Division, 3rd in 2012/13 and 5th in 2014.

August 15th 2009 will long be remembered as Binfield's first game in the legendary FA Cup – and we have enjoyed some good runs reaching the 1st Qualifying round in each of the last two seasons with 400 supporters enjoying the visit of Margate in 2010 and a trip to Slough Town and narrow defeat in 2011. In 2013 the side reached the 2nd Qualifying round, losing to a 96th minute free kick as Leatherhead came from behind. Binfield entered the FA Vase for the first time in season 2008-09 and enjoyed three rounds, before reaching the 4th round (last 32) in 2011/12 in an incredible season of cup success. The 2011/12 team is the most successful in our history, winning both the Berks & Bucks FA Senior Trophy and the AM Print & Copy Floodlit Cup in five glorious April 2012 days. We also reached the final of the Hellenic Challenge Cup.

In the last two disruptive seasons , during the pandemic the first team were sitting in second place in the Hellenic Premier . Positions when used to calculate points per game resulted in promotion to the Isthmian League South Centre. Our 1st season ever at Step 4, However the last season will of course be remembered for our amazing run in the Buildbase FA Vase when playing every game behind closed doors bar one and all away from home we reached the Final at Wembley where we came up against a very good Warrington Rylands side and narrowly lost 3-2

Last season in the Isthmian South Central we finished 8th after a good start . Disappointing FA Cup but a very good run in the Trophy. winning at North Leigh, HerneBay before a home win vs Chippenham and finally bowing out against Truro, missing a last-minute penalty.
