GROUND SHARE ANNOUNCEMENT

Uxbridge Football Club are delighted to announce a long-term Ground Share arrangement with Langley Football Club.

Uxbridge Football Club are delighted to announce a long-term Ground Share arrangement with Langley Football Club.

Upon completion of the current redevelopment works at Honeycroft, Langley FC will be playing their home fixtures at Horton Road.

The arrangement initially covers the next three seasons as Langley FC continue their quest to obtain a permanent home of their own.

In support of the ongoing partnership between the two clubs, all season ticket holders will be eligible for entry to home fixtures for both Langley FC and Uxbridge FC.

All fixtures will be available and updated on our usual social media channels.

We look forward to welcoming The MerryMakers to our newly refurbished facilities soon and wish them every success in their time at Honeycroft.

Addison Lee sponsors Uxbridge Football Club

Uxbridge Football Club are delighted to announce that Addison Lee – London’s largest premium private hire, courier, and black taxi provider – have become the first ever main club sponsor. The sponsorship deal will see Addison Lee as the club’s first team shirt sponsor for both the 2023/24 and 2024/25 seasons and will include a number of local community and educational initiatives.

Both ourselves and Addison Lee have a longstanding heritage in the capital, with the firm operating in the city for 50 years and Uxbridge FC being one of the oldest clubs in England, founded in 1871. As neighbours in the West Drayton area, the partnership was a clear fit for both organisations. Addison Lee opened its Fleet Hub in the area earlier this year, which as their main operating centre features an electric vehicle rapid charging hub, driver training centre and full maintenance and service garage.

“The Reds” currently play in the Isthmian League South Central Division and we begin our season on Saturday 5th August with an away trip to Tunbridge Wells in the Extra Preliminary Round of the FA Cup. The match will be the first outing of the new Uxbridge FC kit, adorned with the Addison Lee logo. Commenting on the sponsorship, Addison Lee CEO, Liam Griffin said: “As a proud London business, we are always keen to work with like-minded organisations to support our local communities. As neighbours it made complete sense for us to come together to explore opportunities for our employees, drivers, and the communities in and around Uxbridge.”

Uxbridge FC Chairman, Mark Bantock added: “We are thrilled to be partnering with such a well-respected company in London. They share community values that are at the heart of Uxbridge Football Club and I know that we can deliver some impactful initiatives together. This sponsorship deal is further proof of our commitment to see the club progress through the Football League Pyramid.” Uxbridge FC’s Honeycroft Stadium is currently being redeveloped to include a new 3G pitch, LED floodlighting and a replacement stand. These developments will improve the efficiency and environmental impact of its operations, aligning with Addison Lee’s ongoing commitment to sustainability, including its multi-million-pound investment in its EV fleet and rapid charging hub.

THE NON-LEAGUE PAPER

By Jon Couch

IF THERE'S one thing that Non-League clubs do particularly well it's putting on a good old community or charity fundraiser.

Regrettably, as much as we'd like to at the Non-League Paper, we just can't give each one we hear about the publicity they absolutely deserve.

But there were two events which featured in this week's NLP – both taking place this weekend – which touched the hearts of us all.

The first paid homage to 'one of our won' – a Non-League legend having a tough time of things right now.

A treble with Yeading, a famous FA Cup third round clash against Newcastle United and play-off success at Maidenhead United, Darty Brown loved every minute of his Non-League career.

Tomorrow, team-mates from his past will come together for the former midfielder to raise money in his fight against a rare form of cancer, Cardiac Sarcoma.

Maidenhead's York Road home will host an All Star team from that promotion-winning side versus Darty's All Stars, made up of players he played alongside for Yeading and Staines as well as friends.

"It will be lovely to see them all running about, sweating, thinking they can still play," Brown laughed. "We'll see. Lots of them still think they're young so they may have a shock."

Such is its rarity, there is limited research into the terminal and aggressive cancer. Money raised will go towards support for medical bills in specialised treatment centres and on-going care for the 46-year-old, who was diagnosed on March 7 last year.

"A lot of the symptoms other people who have had with it, my body is kind of defying it at the moment," Brown says, referring to the benefits of having played Non-League football for so many years."

Brown admits he misses the changing room banter, but the bonds he made will be on show tomorrow afternoon as the Non-League community pull together for one of their own.

Campbell, Francis Duku, Duane Lee, Adrian Toppin and Carl Wilson Dennis will feature for Darty's All Stars, while the likes of Bobby Behzadi, Dale Binns, Richard Pacquette, Mark Nesbit and Ashley Smith will turn out for the Magpies.

Doors open at midday for a 3pm kick off, while there will be food and drink available, raffles and auctions as well as a bouncy castle.

Duku's Our Game Community Scheme CIC has donated prizes for the auction, while Kingstonian chairman Mark Anderson is providing a coach to take people from west London to the game.

To support Brown's fundraising for treatment against Cardiac Sarcoma visit www.gofundme.com/f/dartys-hope-in-the-face-of-adversityrare-cancer.

Down in the south-west, Yeovil Town's visit of Braintree Town at Huish Park this afternoon is no ordinary game.

Dubbed 'Paint the Park Pink', the community-driven initiative has a crucial goal of raising awareness and vital funds for breast cancer research.

Moreover, it aims to raise £40,000 towards the £2.5 million target for a new breast cancer unit at Yeovil District Hospital.

The driving force behind this initiative is Yeovil commercial director Mark Robinson, who shared the very personal motivation behind the club's decision to organise this event:

"We came on board because Karina, a dedicated season ticket holder, was diagnosed with breast cancer," Robinson explained.

"Despite her own battles, she has devoted her retirement to raising money for the hospital charity. Initiatives

"I approached her with the idea of painting the stadium pink, having the players wear pink, and directing all funds towards the hospital. She was so enthusiastic about it. This is the week she'll get the call to say if she can stop her medication, or requires further treatment, exactly five years after her diagnosis."

'Paint the Park Pink' promises a host of special activities and fundraising initiatives for all ages, while the players will wear limited edition pink kits. Captain Josh Staunton has a deeply personal connection to this cause.

"Having lost a dear friend to cancer, this cause holds a special place in my heart," he told us.

"It's a privilege for our football club to shine a spotlight on this event and contribute to raising awareness for breast cancer. Hardships "Moreover, we are making a substantial impact on the lives of the people in and around Yeovil. As a father with a young family, I can't fathom experiencing the same hardships I went through when I lost my best friend. Knowing that we are playing our part in making those difficult times a bit more manageable holds great significance for everyone."

Two wonderful causes and perfect examples of the tireless voluntary work that goes on behind the scenes in Non-League football to make events such as these possible.

As always, your support is vital to keep your local football club alive and kicking but also to help it thrive as a hub of the community.

UXBRIDGE FOOTBALL CLUB - HISTORY

In the late 19th century the game of "football" was growing in popularity and on the 3rd February 1871 a group of eminent local businessmen held the inaugural meeting of Uxbridge Football Club. A local solicitor, Mr William Gardiner, was elected as the Club's President and the club's colours were chosen as white shirts with a light blue Maltese cross and a light blue velvet cap with silver tassel. Friendly games against local opposition were played in the early years, until the FA Cup was entered in 1873. A First Round Victory over Gitanos set-up a Second-Round tie against eventual finalists Royal Engineers, which the Engineers narrowly won 2-1. It was at this time that Uxbridge could boast amongst its ranks a Full England International. Hubert Heron played for England on two occasions whilst an Uxbridge player before he moved to Wanderers FC where he gained further international honours. His brother Francis, formerly of Uxbridge, also played for England after joining him at Wanderers FC.

The club changed its colours to Oxford Blue and Cambridge Blue shirts in 1874 but they were in financial difficulties and folded later that year. The main problem for Uxbridge was the lack of a permanent home ground (a problem that was to plague them until the middle of the next century), the committee searched the town for a suitable base but were thwarted at every turn and they led a nomadic existence, moving ground every few years. The enthusiasm for a team in Uxbridge was still prevalent and the Club was reformed in 1879. In 1886 Uxbridge FC amalgamated with another local club, Uxbridge Crescents, and played under this name in season 1886/87, before reverting to plain old Uxbridge the following season. It was at this time that the Red Shirts, which are still worn today, were adopted and the nickname "The Reds" was born.

Their first trophy was won in 1889 when they lifted the West Middlesex Cup, defeating Colnbrook 1-0 in the Final. The end of the 19th century was a particularly successful period for The Reds as they won the West Middlesex Cup on three further occasions and also won the prestigious Middlesex Senior Cup twice. In 1894 they beat the 3rd Grenadier Guards 2-0 and repeated that success two years later with a 3-2 victory over local rivals Southall in a replay in front of over 5000 spectators. The outstanding achievement however was in reaching the final of the F.A. Amateur Cup in 1898. This was the club's first season in the competition and they had to win eight ties before meeting Middlesbrough in the final at Crystal Palace.

Unfortunately, their North East rivals proved too strong for them on the day and ran out 2-0 winners. During this successful period for the club they became founder members of Division Two of the Southern League in 1894, finishing fourth in their first four seasons. However, in season 1898/99 they finished next to bottom and the dwindling crowds (averaging around 500) meant that financially the club was once again in trouble. A decision was therefore taken to withdraw from the Southern League and join the local Middlesex League to try and stabilise the club. However, a majority of the more talented players joined other clubs and they struggled in their new surroundings, finishing bottom with only one point from their 14 games. At the end of the season the club had a deficit of £130 and with few players the club once again folded.

For two years much fund raising amongst the local community finally saw the club's debts paid and the reformed Uxbridge FC joined the West Middlesex League for the 1902/03 season. In 1904 the Great Western Suburban League was entered and here they stayed until the outbreak of the First World War.

Their best finish during this period was as Runners-up to Brentford Reserves in 1910/11. They also won the Middlesex Charity Cup on two occasions in 1908 and 1913, as they looked to re-establish themselves as a force in the football world. Following the end of hostilities Uxbridge joined the Athenian League and added "Town" to their name.

An unsuccessful first Athenian League campaign saw them relegated back to the Great Western Suburban League in 1920. A successful four seasons saw them back in the Athenian League in 1924 where they remained until 1937. The Middlesex Charity Cup was won for the third time in 1935 as Finchley were beaten 4-3. Two poor seasons saw them finish bottom of the Athenian League in 1936 and 1937 and the club failed to be re-elected. They joined the Spartan League for the 1937/38 season, dropping "Town" from their name at the end of the campaign stood proudly at the summit.

Championship celebrations however were cut short when it was discovered that The Reds had played an ineligible player and were deduced six points, placing them in third position behind Champions Marlow. Following the debacle of their one and only season in the Spartan League they resigned and joined the London League prior to the Second World War.

During the war years they continued to play and joined the newly formed Great Western Combination League before re-joining the London League in 1945, finishing as Runners-up to Edgware Town. Uxbridge were founder members of the Corinthian League in 1946 and remained in this league for the next seventeen years. Finally, in 1948, after over three quarters of a century of searching, a ground of their own was purchased. A piece of land in Cleveland Road, Cowley was bought for £5,800 by then President Mr W.S. Try.

The ground was named after a large house that stood on the land and "Honeycroft" was the new home of Uxbridge Football Club. During this period, they won their only Championship to-date when they were crowned Corinthian League Champions at the end of the 1959/60 season. They also won the Middlesex Senior Cup for the third time in 1951 when they defeated Hayes 2-1.

This was a successful period in the club's history as they finished in the top five of the Corinthian League on no less than eight occasions and crowds were averaging around the thousand mark. A re-organisation of Non-League football saw the end of the Corinthian League in 1963 and club found itself once again in Division One of the Athenian League. This was a lean time for The Reds, they were relegated to Division Two in 1967 and financial problems once against beset them. They gained national publicity in 1976 when England were looking for a side to play as part of their warm-up for the forthcoming World Cup campaign. Uxbridge took on a full-strength England at Wembley, losing 8-0.

The ground problems that had blighted Uxbridge throughout their history surfaced once again and the club had to find a new home. In 1978 they moved to their current headquarters in Horton Road, Yiewsley. A former works Sports & Social Club they have developed the site to the superb standard you see today.

Over the past 43 years they have added floodlights (opened by the visit of Arsenal in 1981), new stands, fencing and in more recent times a new clubhouse was opened and car park laid. On the playing front the club won the Middlesex Charity Cup for the fourth time in 1982, their first silverware for 31 years, and moved to the Isthmian League in the same year, winning promotion to Division One in 1985.

The Final of the AC Delco Cup (League Cup) was reached in 1986, where they met Premier Division Champions Sutton United. The Reds failed to stop Sutton completing "The Double" though, losing 3-1 in the Final in front of over a thousand spectators at Imber Court, the home of Metropolitan Police FC, Uxbridge entered the London Challenge Cup for the first time in the 1992/93 season and hence followed a love affair between the Reds and the magnificent trophy. In the eight seasons they entered the competition they reached five finals, winning on three occasions in 1994, 1997 and 2000.

They won the Middlesex Senior Cup for the fourth time in 2001, defeating Harrow Borough 3-0 in the Final held at Honeycroft. In 2004 the club were moved across the pyramid to the Southern League and have reached the Play-Offs on three occasions. In 2004/05 they lost on penalties, after leading Maldon Town in extra-time, in 2007/08 they narrowly lost 0-1 at Oxford City and in 2011/12 they lost 2-1 at Bedworth United in the Semi-Finals. In 2018 Uxbridge were moved back across the pyramid, re-joining the Isthmian League in the South Central Division.

They have won the Middlesex Charity Cup on three more occasions in the last eight years. Defeating Brentford in 2013, Wembley in 2014 and Ashford Town (Middlesex) at Hanwell Town FC in 2019.

In the summer of 2016, the Club lost one of its stalwarts when long serving President Alan Odell passed away. Alan had been associated with The Reds for over 80 years, firstly as a supporter and player in his youth, before serving in various official duties as a committee member. He is sadly missed.

In 2019 Uxbridge appointed only their sixth manager over the past 51 years. Ron Clack was in charge for 18-years from 1970, followed by Peter Marshall for one season, Michael Harvey for three, before George Talbot took the reins for fourteen seasons in 1992. In 2006 Tony Choules became the man in charge, being replaced by our current manager Danny Edwards in 2019.

Danny is a UEFA A licensed coach who spent 15 years as manager of Chalfont St Peter AFC. He steered Chalfont St Peter to Step 4 of the league system in 2011, as well as reaching the 3rd Qualifying Round of the Football Association Challenge Cup on three occasions. Danny has with him a confident team which includes Fred Cummings as his Assistant Manager. Fred is well known to the followers of the Red Army as a combative centre half with 320 First Team appearances for Uxbridge in the 1980's.

The Middlesex Charity Cup was won for the 8th time in 2022, with a 2-0 victory over Hanwell Town. Last season the club had a fantastic run in the FA Trophy, reaching the 3rd Round where they lost to National League side Dagenham & Redbridge

Brief History of Hanworth Villa

Hanworth Villa, 'The Villains,' was formed in 1976. In the early years, the team struggled in Division one of the Hounslow & District League, scoring a goal was usually celebrated with a public holiday. During a close season, following hard work by Jimmy Connors, the team was completely rebuilt and this led to them finishing as Division 1 Champions.

The following Season saw the club start an incredible run in the league, which finished 68 matches later, with the 'Villains' winning the Hounslow Premier League and the West Middlesex Divisions one and two championships. The success continued with Hanworth being elected to the newly formed Middlesex County Football League in 1984/1985.

From 1980 the club had a nomadic existence but in 1997 moved to their current headquarters at Rectory Meadow. This move led to the formation of Hanworth Villa Sunday and a new reserve team, being an amalgamation of teams from The Sawyers Arms, The Queen Dowager and Feltham Railway Club. A Chiswick League double in 1992/1993 and a 19-0 Cup Final victory in the National Railways Cup cemented the successful amalgamation.

Following hard work by Dave Brown the club was granted a lease at Rectory Meadow. At last the team had a permanent home and could set about converting an existing pavilion into a clubhouse, which has become known as the 'Ranch'. With a permanent base, Villa were also able to concentrate on improving the level of football, and in 2002/2003 a notable performance by the Saturday first team was to win 'the treble' of the Middlesex County Premier Cup, the Open Cup and the Middlesex County League. After another Premier League title in 2004/2005, with a record number of points, it was decided to move on and the club were elected to Division 1 of the Combined Counties League in 2005/2006.

It took a while to adapt to the new level of football, but in the second season they managed to win the Challenge Cup. The following season, 2007/2008, the team managed to successfully defend the Challenge Cup and also narrowly miss out on the league title, finishing a credible second. However the lack of facilities at the 'Ranch' prevented promotion to the Premier Division.

The club were determined to ensure that the situation should not arise again and with typical determination the committee managed to raise the funds to ensure that floodlights and a spectator stand were installed in time for the 2008/2009 campaign. The effort was not in vain as once again the team finished second and following a successful ground inspection Hanworth Villa were promoted to the Combined Counties Premier League for the 2009/2010 season

The debut season was as expected difficult with points being few and far between and it was not until the second half of the campaign that the team came to terms with the standard of football required. By the end of the season the team had collected enough points to finish 17th, three points clear of relegation.

The first season taught the club a lot and changes were put in place to allow for a more comfortable second season, in which not only did the team finish in 5th position in the league, but also reached the finals of the Middlesex Senior Charity Cup and the Southern Combination Cup. Unfortunately they were to lose in both.

The 2011/2012 season will live long in the memory of all concerned at the club as being their most successful in national competition. In the FA Cup the team, after victories over Shrivenham, Bedfont Sports, Wembley, Aveley and Slough, lined up against AFC Totten for a place in the 1st Round proper, a rare achievement for a team competing at national level 9. In a very close encounter AFC won 3-2.

In the FA Vase the team reached the 3rd round losing to Herne Bay, one of the beaten semi-finalists that year.

In 2013/2014 the team were successful in achieving a double, in winning both the Middlesex Premier League Cup and the Southern Combination Cup.

At the end of the 2015/16 season the club appointed former Queens Park Rangers and Fulham defender Rufus Brevett as their new manager. Rufus had previously managed at Arlesey Town and had coached at Banbury United.

Under the Management of Rufus and his team, Bobby Watson, Carl Cleaver and Cliff Angol the team won the Middlesex Senior Charity Cup with a 3 – 2 win over Spelthorne Sports. It was the second occasion in three years that the team have won this trophy.

In December 2018, by mutual agreement, Rufus Brevett stepped down as first team Manager with Louis Carder-Walcott, previously Assistant Manager at Westfield FC, being appointed shortly after.

Following a poor run of form at the start of the 2019/20 and with no positive signs of recovery it was, mutual agreement, decided that Louis would step down as Manager of the club. In November 2019 the position was filled by Simon Haughney and his management team of Paul Thomas and Leon Solomon.

The players responded well to this new team and with the addition of several new signings performed well, despite the distractions of the Covid pandemic. Not only did they remain unbeaten in the ten matches played during the suspended 2020-21 season, but they also set a new club record by progressing to the last 16 of the F A Vase, narrowly losing to Long Eaton United on penalties.

Last season proved to be the greatest in the history of Hanworth Villa FC and, in winning the inaugural Combined Counties North Premier Division and with its promotion to the Isthmian League, the club achieved their highest position in senior football since the formation in 1976. The most remarkable record of all is, however, that the team remained unbeaten throughout the league season.
