"The Isthmian Football League strongly supports the FA statement that there should be a zero-tolerance approach against racism and all forms of discrimination. Accordingly, any form of discriminatory abuse whether it be by reason of age, disability, gender reassignment, race, religion and belief, marriage and civil partnership, pregnancy and maternity, sex and sexual orientation or any other form of abuse will be reported to The Football Association for action by that Association." (The FA 0800 085 0508 / Kick it Out 020 7253 0162). The Isthmian League and all Member Clubs in the League are committed to promoting equality by treating people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of the community."

By Jon Couch.

WATCHING Gareth Southgate lead England out for a European Championship qualifier can only mean one of two things - either it's time to prepare for more international tournament heartache, or it's Non-League Day.

Naturally, at NLP Towers we much prefer the latter we have a saying that every day is Non-League Day and for that we are truly grateful.

But for those supporters of Premier League and Championship clubs, it's an opportunity to see how the other half live – and maybe even enjoy a VAR-free weekend of football in its purity.

Set up as social media experiment by James Doe in 2010, Non-League Day was inspired by pre-season trip to watch Queens Park Rangers play at Tavistock.

So now, on an international weekend when the elite clubs sit it out, it's the chance for your local clubs to take centre stage and show the community just what they have to offer.

It is a concept that suits all. While football fans across the country get the chance to explore a new environment closer to their front doors, it also provides a platform for clubs to promote the importance of more affordable volunteer-led community football.

This is a world, remember, where kick offs are predominantly at 3pm, ticket prices are realistic, you can often stand (and drink!) anywhere in the ground and will always be guaranteed a warm welcome by people who run their clubs for a love of the game.

Supporters also come along in the knowledge the money taken at the turnstiles does not line the pockets of the multi-billionaire owners who run Premier League clubs of today, but often funds thriving youth set-ups, projects and facilities which are of benefit to the whole community.

Backed by Premier League and Football League clubs, MPs, celebrities, media organisations, charities, Non-League Day has now grown to become an integral part of the domestic football calendar and has been extremely well received by fans with attendances soaring to record high numbers in many cases.

This week, ahead of England's Euro 2024 qualifying double header with Italy and Ukraine, we caught up with James, an old friend of The NLP, and he revealed something quite incredible.

Just as he was preparing for this weekend's latest instalment, James received a LinkedIn message from the new directors of Spanish La Liga giants Athletic Bilbao!

They told him just how much they liked the concept of Non-League Day and want to do something like this in the Basque Country to help re-engage with their community and highlight grass-roots football in the region.

In January, James and his team flew out to Spain to meet them and received the five-star treatment on a tour of their training ground before visiting their stunning headquarters and a game in the evening.

In support of Non-League Day here today, a group of them are coming over to attend Dulwich Hamlet's game against Oxford City – and they even arranged travel packages for supporters to make the trip with them from Bilbao.

"When I first came up with the idea of Non-League Day, I didn't expect it to go beyond my circle of friends," Doe told us.

"To be national would have been a miracle, let alone further afield. Non-League Day itself is not the thing – it's all about the clubs, the players, the teams.

"That's what is most important. Non-League Day is a celebration of that. Our t-shirts and badges are flying off the shelves. We've had to get more printed!"

Indeed, today is arguably the busiest day of the year for this ever expanding entity. NLD organisers are once again working with Prostate Cancer UK and Kick it Out once again, as well as Francis Duku's Our Game, a service which helps players and clubs in the event of serious injury.

BT Sport are also on board with two live games with Slough Town's visit of Ebbsfleet United kicking off at 12.30pm before Wealdstone host north-west London rivals Barnet at 3pm.

All in all, it promises to be another great celebration of the Non-League game. Enjoy your day and here's to the next Non-League Day.

UXBRIDGE FOOTBALL CLUB - HISTORY

In the late 19th century the game of "football" was growing in popularity and on the 3rd February 1871 a group of eminent local businessmen held the inaugural meeting of Uxbridge Football Club. A local solicitor, Mr William Gardiner, was elected as the Club's President and the club's colours were chosen as white shirts with a light blue Maltese cross and a light blue velvet cap with silver tassel. Friendly games against local opposition were played in the early years, until the FA Cup was entered in 1873. A First Round Victory over Gitanos set-up a Second-Round tie against eventual finalists Royal Engineers, which the Engineers narrowly won 2-1. It was at this time that Uxbridge could boast amongst its ranks a Full England International. Hubert Heron played for England on two occasions whilst an Uxbridge player before he moved to Wanderers FC where he gained further international honours. His brother Francis, formerly of Uxbridge, also played for England after joining him at Wanderers FC.

The club changed its colours to Oxford Blue and Cambridge Blue shirts in 1874 but they were in financial difficulties and folded later that year. The main problem for Uxbridge was the lack of a permanent home ground (a problem that was to plague them until the middle of the next century), the committee searched the town for a suitable base but were thwarted at every turn and they led a nomadic existence, moving ground every few years. The enthusiasm for a team in Uxbridge was still prevalent and the Club was reformed in 1879. In 1886 Uxbridge FC amalgamated with another local club, Uxbridge Crescents, and played under this name in season 1886/87, before reverting to plain old Uxbridge the following season. It was at this time that the Red Shirts, which are still worn today, were adopted and the nickname "The Reds" was born. Their first trophy was won in 1889 when they lifted the West Middlesex Cup, defeating Colnbrook 1-0 in the Final. The end of the 19th century was a particularly successful period for The Reds as they won the West Middlesex Cup on three further occasions and also won the prestigious Middlesex Senior Cup twice. In 1894 they beat the 3rd Grenadier Guards 2-0 and repeated that success two years later with a 3-2 victory over local rivals Southall in a replay in front of over 5000 spectators. The outstanding achievement however was in reaching the final of the F.A. Amateur Cup in 1898. This was the club's first season in the competition and they had to win eight ties before meeting Middlesbrough in the final at Crystal Palace.

Unfortunately, their North East rivals proved too strong for them on the day and ran out 2-0 winners. During this successful period for the club they became founder members of Division Two of the Southern League in 1894, finishing fourth in their first four seasons. However, in season 1898/99 they finished next to bottom and the dwindling crowds (averaging around 500) meant that financially the club was once again in trouble. A decision was therefore taken to withdraw from the Southern League and join the local Middlesex League to try and stabilise the club. However, a majority of the more talented players joined other clubs and they struggled in their new surroundings, finishing bottom with only one point from their 14 games. At the end of the season the club had a deficit of £130 and with few players the club once again folded.

For two years much fund raising amongst the local community finally saw the club's debts paid and the reformed Uxbridge FC joined the West Middlesex League for the 1902/03 season. In 1904 the Great Western Suburban League was entered and here they stayed until the outbreak of the First World War. Their best finish during this period was as Runners-up to Brentford Reserves in 1910/11. They also won the Middlesex Charity Cup on two occasions in 1908 and 1913, as they looked to re-establish themselves as a force in the football world. Following the end of hostilities Uxbridge joined the Athenian League and added "Town" to their name. An unsuccessful first Athenian League campaign saw them relegated back to the Great Western Suburban League in 1920. A successful four seasons saw them back in the Athenian League in 1924 where they remained until 1937.

The Middlesex Charity Cup was won for the third time in 1935 as Finchley were beaten 4-3. Two poor seasons saw them finish bottom of the Athenian League in 1936 and 1937 and the club failed to be re-elected. They joined the Spartan League for the 1937/38 season, dropping "Town" from their name at the end of the campaign stood proudly at the summit.

Championship celebrations however were cut short when it was discovered that The Reds had played an ineligible player and were deduced six points, placing them in third position behind Champions Marlow. Following the debacle of their one and only season in the Spartan League they resigned and joined the London League prior to the Second World War.

During the war years they continued to play and joined the newly formed Great Western Combination League before re-joining the London League in 1945, finishing as Runners-up to Edgware Town. Uxbridge were founder members of the Corinthian League in 1946 and remained in this league for the next seventeen years. Finally, in 1948, after over three quarters of a century of searching, a ground of their own was purchased. A piece of land in Cleveland Road, Cowley was bought for £5,800 by then President Mr W.S. Try. The ground was named after a large house that stood on the land and "Honeycroft" was the new home of Uxbridge Football Club. During this period, they won their only Championship to-date when they were crowned Corinthian League Champions at the end of the 1959/60 season. They also won the Middlesex Senior Cup for the third time in 1951 when they defeated Hayes 2-1.

This was a successful period in the club's history as they finished in the top five of the Corinthian League on no less than eight occasions and crowds were averaging around the thousand mark. A re-organisation of non-League football saw the end of the Corinthian League in 1963 and club found itself once again in Division One of the Athenian League. This was a lean time for The Reds, they were relegated to Division Two in 1967 and financial problems once again beset them. They gained national publicity in 1976 when England were looking for a side to play as part of their warm-up for the forthcoming World Cup campaign. Uxbridge took on a full-strength England at Wembley, losing 8-0.

The ground problems that had blighted Uxbridge throughout their history surfaced once again and the club had to find a new home. In 1978 they moved to their current headquarters in Horton Road, Yiewsley. A former works Sports & Social Club they have developed the site to the superb standard you see today.

Over the past 43 years they have added floodlights (opened by the visit of Arsenal in 1981), new stands, fencing and in more recent times a new clubhouse was opened and car park laid. On the playing front the club won the Middlesex Charity Cup for the fourth time in 1982, their first silverware for 31 years, and moved to the Isthmian League in the same year, winning promotion to Division One in 1985. The Final of the AC Delco Cup (League Cup) was reached in 1986, where they met Premier Division Champions Sutton United. The Reds failed to stop Sutton completing "The Double" though, losing 3-1 in the Final in front of over a thousand spectators at Imber Court, the home of Metropolitan Police FC, Uxbridge entered the London Challenge Cup for the first time in the 1992/93 season and hence followed a love affair between the Reds and the magnificent trophy. In the eight seasons they entered the competition they reached five finals, winning on three occasions in 1994, 1997 and 2000.

They won the Middlesex Senior Cup for the fourth time in 2001, defeating Harrow Borough 3-0 in the Final held at Honeycroft. In 2004 the club were moved across the pyramid to the Southern League and have reached the Play-Offs on three occasions.

In 2004/05 they lost on penalties, after leading Maldon Town in extra-time, in 2007/08 they narrowly lost 0-1 at Oxford City and in 2011/12 they lost 2-1 at Bedworth United in the Semi-Finals. In 2018 Uxbridge were moved back across the pyramid, re-joining the Isthmian League in the South Central Division.

They have won the Middlesex Charity Cup on three more occasions in the last eight years. Defeating Brentford in 2013, Wembley in 2014 and Ashford Town (Middlesex) at Hanwell Town FC in 2019.

In the summer of 2016, the Club lost one of its stalwarts when long serving President Alan Odell passed away. Alan had been associated with The Reds for over 80 years, firstly as a supporter and player in his youth, before serving in various official duties as a committee member. He is sadly missed.

In 2019 Uxbridge appointed only their sixth manager over the past 51 years. Ron Clack was in charge for 18-years from 1970, followed by Peter Marshall for one season, Michael Harvey for three, before George Talbot took the reins for fourteen seasons in 1992. In 2006 Tony Choules became the man in charge, being replaced by our current manager Danny Edwards in 2019.

Danny is a UEFA A licensed coach who spent 15 years as manager of Chalfont St Peter AFC. He steered Chalfont St Peter to Step 4 of the league system in 2011, as well as reaching the 3rd Qualifying Round of the Football Association Challenge Cup on three occasions. Danny has with him a confident team which includes Fred Cummings as his Assistant Manager. Fred is well known to the followers of the Red Army as a combative centre half with 320 First Team appearances for Uxbridge in the 1980's.

Last season was the most successful in terms of league position since 2014/15 as we finished 6th missing out on the playoffs by one place we also won the Middlesex Charity Cup last season, beating Hanwell Town in the final, for the 4th time in the last 9 years.

Walton & Hersham F.C. – “The Swans”

A Brief History

Walton-on-Thames F.C. was formed in 1895, and in 1945, following World War II, amalgamated with Hersham F.C. to form Walton & Hersham F.C., the present club.

The united club immediately joined the newly formed Corinthian League and followed a poor first season with a hat-trick of Championships and a runners-up position.

They also won the Surrey Senior Cup for the first time in 1947-48, beating Isthmian League neighbours Kingstonian 2-1 at Crystal Palace.

Election to the Athenian League soon followed and in their first season, 1950-51, Swans finished runners-up and again won the Surrey Senior Cup at Palace, defeating the much vaunted Dulwich Hamlet 2-1.

Great days, big crowds

These were golden days for the Stompond Lane side and the FA Amateur Cup Semi-Final was reached in successive seasons, 1951-52 and 1952-53, only for Swans to go out to Walthamstow Avenue and Harwich & Parkeston respectively.

During this period the club enjoyed a tremendous following, and a record crowd of 10,000 were at the Lane in 1952 when the famous Crook Town were the visitors for an Amateur Cup tie. Stars of this era included Swans' most famous player, England and Great Britain Olympic defender C.R. 'Jack' Neale, and the prolific Reg Sentance, still the club's all-time top scorer. Some lean years followed, although the FA Cup First Round was reached for the first time in 1957-58, Southampton winning 6-1 before 6,000 people at Stompond Lane.

Don Stoker's popular sides of the early 1960's brought cup fever back to the Lane and there were fine runs again in the FA Amateur Cup.

Two late goals by the prolific and popular Brian Jenkins beat the star-studded Wimbledon side in the Surrey Senior Cup Final of 1960-61, and the trophy was retained against Sutton United the following season.

After several years of mid-table respectability, the appointment of Allen Batsford as manager in 1967 heralded the beginning of the most successful period in the club's history.

At the end of his first season, a superb victory over a powerful Wimbledon side in the two legged Final secured the Premier Midweek Floodlit League title, the first of three, followed a year later by the winning of the Athenian League championship for the first time.

The FA Cup First Round Proper was again reached in the following two seasons, only for Swans to lose to Barnet 1-0 in 1969-70 and Telford United 5-2 in 1970-71, both games being played at the Lane.

The runners-up spot in the League was achieved in both those campaigns and the Surrey Senior Cup came back to Stompond Lane in 1970-71, Woking being defeated 3-0 in the Final. Election to the Isthmian ranks followed, with third place attained in the first season, 1971-72.

Wembley at last

Then followed the most memorable season in the club's history, 1972-73.

The FA Cup First Round barrier was overcome for the first time with Exeter City being defeated 2-1 amid tremendous excitement at the Lane, only for visitors Margate to win by the only goal in the Second Round.

Kingstonian were beaten 2-0 in the Surrey Senior Cup Final and the runners-up spot achieved in the League.

Then on the 14th of April 1973 the ultimate prize was gained at Wembley when 41,000 people saw a last-minute Roger Connell goal against Slough Town bring the FA Amateur Cup to Stompond Lane, the trophy being won without a goal being conceded, a record never to be equaled.

Dave Bassett, Willie Smith and Connell also had the honour of playing for the England Amateur side.

The following season Brian Clough brought his Brighton & Hove Albion side to Stompond Lane in the FA Cup First Round, and following a goalless draw, Swans pulled off a sensational result in the replay at The Goldstone Ground, a Clive Foskett hat-trick included in a 4-0 win.

Sadly, when Batsford left for Wimbledon the following season the fine team broke up, the crowds drifted away, and relegation soon followed in 1975.

The FA Cup First Round was surprisingly reached in 1975-76, and a young side put on a battling performance at Selhurst Park against Malcolm Allison's Crystal Palace, only going down 1-0 to a late goal.

Barren years followed, with the club several times being close to extinction.

In the mid 1980's the club was proud to have Sir Stanley Matthews as President, but sides flattered to deceive and only a draw in the final game of the 1986-87 season prevented relegation to Division Two.

Promotion

After 20 years out of the top-flight, a young side under Neil Price at last gained promotion in 1993-94, and the following season the First Round Proper of the FA Cup was again reached, Swansea City winning 2-0 at the Lane.

However, Swans' Centenary celebrations were spoilt by relegation after only two seasons back in the Premier.

Under the management of Laurie Craker the team ensured the stay in Division One was as brief as possible, promotion being gained on the last day of the campaign.

After a creditable first season back in the Premier Division it again proved to be a struggle to remain there, and at the end of the 1999-2000 season Swans finished in bottom spot and relegation again became a reality.

Swans had to wait until the 2004-05 season before more success came to Stompond Lane after long-serving player Alan Dowson took over as manager in October.

After defeat in his first match in charge, Dowson led the team to a record breaking 13 match winning sequence, fine runs in the FA Trophy and League Cup, and promotion as runners-up in the Ryman League Division One.

The Surrey Senior Cup Final was reached for the first time in 31 years, the Swans only losing a thrilling game against AFC Wimbledon 2-1 after extra-time before close to 4,000 people at Woking.

After a creditable first season back in the Premier Division a poor start to 2006-07 led to Dowson's early resignation and eventual relegation yet again.

Since then Swans remained in Division One, facing relegation fights on several occasions, until 2015-16, when a third from bottom finish finally saw them go down, ending a 45 year unbroken stay in the Isthmian League.

At the end of September 2017 Swans were forced to leave their home of 8 decades, Stompond Lane, when it was sold for development, the club moving to a new home at a purpose-built Sports Hub in Waterside Drive.

After two good seasons in the Combined Counties League Premier Division, when they finished in fifth and fourth places, a poor 2018-19 led to a bottom place finish and relegation to Division One.

Walton & Hersham was then taken over by a consortium of seven 19 year-olds, who became the youngest owners of a senior football club.

With a complete club rebranding a resurgence of fortunes soon began, and following two seasons that remained unfinished due to the Covid-19 virus, Swans' record of finishing in third and second places gained them promotion under a PPG (points per game) system to the newly formed Combined Counties League Premier Division South.

The management team of Scott Harris and Billy Rowley then guided Swans to a second successive promotion and a return to the Isthmian League after six seasons away, a runners-up spot securing them a place in the South-Central Division for 2022-23.

Also, an end of season record breaking 18 match unbeaten run culminated in them winning the Combined Counties League Premier Challenge Cup with a 2-1 win over Southall in the Final.
