"The Isthmian Football League strongly supports the FA statement that there should be a zero-tolerance approach against racism and all forms of discrimination. Accordingly, any form of discriminatory abuse whether it be by reason of age, disability, gender reassignment, race, religion and belief, marriage and civil partnership, pregnancy and maternity, sex and sexual orientation or any other form of abuse will be reported to The Football Association for action by that Association." (The FA 0800 085 0508 / Kick it Out 020 7253 0162). The Isthmian League and all Member Clubs in the League are committed to promoting equality by treating people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of the community."

NLP Programme column, By Matt Badcock

NEW YEAR, new you? If you're anything like me, those resolutions will already be a little frayed around the edges.

But as the big clock struck midnight to bring in 2023, it's only natural to look back at the previous 12 months and look ahead to what might be in the ones ahead.

You may have caught it in last week's NLP, but each year we ask a group of people who, like us, love Non-League football and ask the same question – what would you like to see in the coming year. My own answer, three-up, three-down from the National League into the EFL aside, centres around concussion substitutes. I really believe it's time temporary subs were allowed to give the experts time to assess any potential concussion and ensure the player is given the right care.

We saw it a couple of times in the World Cup where a player clearly played on when he shouldn't have. Allowing some time for him to go off to a quiet part of the stadium and let those in the know run through their protocols is only right. Hopefully, it comes in.

Our north-east reporter Mark Carruthers is banging the drum for three-up, three-down in 2023 – it's got to happen soon enough, surely, and a sentiment echoed by BBC Surrey Sport commentator Rob Worrall, who said, 'Without doubt, an additional promotion place from the National League to the EFL. It simply HAS to happen now, with benefits to all – including those 'big' clubs that keep dropping down!'

His colleague at the NL Full Time podcast, Rich Worton, agrees but has an equally seismic change he'd like to be introduced too.

"Is it too obvious to say 'three up, three down' between the EFL and the National League? If it is, then I'd go for a different choice, and say that the implementation of the Crouch report's recommendations and the appointment of an independent regulator for football would be hugely positive, and a sign that the government does care about the national game, rather than just doing so when it is expedient."

Our executive editor Jon Couch would like to see the way games are postponed handled differently. In this current cost of living climate, clubs arriving at grounds only for the game never likely on to be called off is frustrating to say the least.

Another of our regular reporters, Andy Mitchell, is hacked off with how some approach the FA

Trophy. He says: "Stop dismissing FA Trophy. The influx of clubs from the Football League has seen the FA Trophy relegated from the non-league FA Cup to a par with the Papa John's Trophy.

It has a Wembley final and provides memories that last a lifetime – the big guns should take it seriously." Indeed.

What would you like to see changed or introduced in Non-League in 2023? As long as it's not VAR we'll all be fine!

UXBRIDGE FC PLAYER/MANAGEMENT PROFILES 2022/23

Tyler Tobin – Goalkeeper signed from Ashford Town (Middlesex) in August 2019. Was a key member of the promotion chasing Uxbridge squad last season. A strong commanding goalkeeper who will once again be a key member of the squad for the upcoming season.

Matty Bonnett – Goalkeeper signed in the summer having previously seen service with Staines Town last season. Started his career at Slough Town.

Henry Grad - Young Goalkeeper who joined the club in November. Already a hero amongst the Uxbridge faithful after his heroics against Dover Athletic in the FA Trophy. Previously with Slough Town.

Mark Goodman – Full back signed from Chalfont St Peter in July 2019. Also previously played for Wingate and Finchley at step 3. A powerful full back who will be key in both the attacking and defensive patterns for the club this season.

Lewis Patrick – Left sided full back who has signed for Uxbridge after a successful season at Risborough Rangers. A versatile defender who likes to get forward and put telling crosses into the box.

Elliott Poley – Young defender signed from Ashford Town (Middlesex) in July 2019. A centre half who is now in his fourth season at Uxbridge. He reads the game well and is confident in the air.

UXBRIDGE FOOTBALL CLUB - HISTORY

In the late 19th century the game of "football" was growing in popularity and on the 3rd February 1871 a group of eminent local businessmen held the inaugural meeting of Uxbridge Football Club. A local solicitor, Mr William Gardiner, was elected as the Club's President and the club's colours were chosen as white shirts with a light blue Maltese cross and a light blue velvet cap with silver tassel. Friendly games against local opposition were played in the early years, until the FA Cup was entered in 1873. A First Round Victory over Gitanos set-up a Second-Round tie against eventual finalists Royal Engineers, which the Engineers narrowly won 2-1. It was at this time that Uxbridge could boast amongst its ranks a Full England International. Hubert Heron played for England on two occasions whilst an Uxbridge player before he moved to Wanderers FC where he gained further international honours. His brother Francis, formerly of Uxbridge, also played for England after joining him at Wanderers FC.

The club changed its colours to Oxford Blue and Cambridge Blue shirts in 1874 but they were in financial difficulties and folded later that year. The main problem for Uxbridge was the lack of a permanent home ground (a problem that was to plague them until the middle of the next century), the committee searched the town for a suitable base but were thwarted at every turn and they led a nomadic existence, moving ground every few years. The enthusiasm for a team in Uxbridge was still prevalent and the Club was reformed in 1879. In 1886 Uxbridge FC amalgamated with another local club, Uxbridge Crescents, and played under this name in season 1886/87, before reverting to plain old Uxbridge the following season. It was at this time that the Red Shirts, which are still worn today, were adopted and the nickname "The Reds" was born. Their first trophy was won in 1889 when they lifted the West Middlesex Cup, defeating Colnbrook 1-0 in the Final. The end of the 19th century was a particularly successful period for The Reds as they won the West Middlesex Cup on three further occasions and also won the prestigious Middlesex Senior Cup twice. In 1894 they beat the 3rd Grenadier Guards 2-0 and repeated that success two years later with a 3-2 victory over local rivals Southall in a replay in front of over 5000 spectators. The outstanding achievement however was in reaching the final of the F.A. Amateur Cup in 1898. This was the club's first season in the competition and they had to win eight ties before meeting Middlesbrough in the final at Crystal Palace.

Unfortunately, their North East rivals proved too strong for them on the day and ran out 2-0 winners. During this successful period for the club they became founder members of Division Two of the Southern League in 1894, finishing fourth in their first four seasons. However, in season 1898/99 they finished next to bottom and the dwindling crowds (averaging around 500) meant that financially the club was once again in trouble. A decision was therefore taken to withdraw from the Southern League and join the local Middlesex League to try and stabilise the club. However, a majority of the more talented players joined other clubs and they struggled in their new surroundings, finishing bottom with only one point from their 14 games. At the end of the season the club had a deficit of £130 and with few players the club once again folded.

For two years much fund raising amongst the local community finally saw the club's debts paid and the reformed Uxbridge FC joined the West Middlesex League for the 1902/03 season. In 1904 the Great Western Suburban League was entered and here they stayed until the outbreak of the First World War. Their best finish during this period was as Runners-up to Brentford Reserves in 1910/11. They also won the Middlesex Charity Cup on two occasions in 1908 and 1913, as they looked to re-establish themselves as a force in the football world. Following the end of hostilities Uxbridge joined the Athenian League and added "Town" to their name. An unsuccessful first Athenian League campaign saw them relegated back to the Great Western Suburban League in 1920. A successful four seasons saw them back in the Athenian League in 1924 where they remained until 1937.

The Middlesex Charity Cup was won for the third time in 1935 as Finchley were beaten 4-3. Two poor seasons saw them finish bottom of the Athenian League in 1936 and 1937 and the club failed to be re-elected. They joined the Spartan League for the 1937/38 season, dropping "Town" from their name at the end of the campaign stood proudly at the summit.

Championship celebrations however were cut short when it was discovered that The Reds had played an ineligible player and were deduced six points, placing them in third position behind Champions Marlow. Following the debacle of their one and only season in the Spartan League they resigned and joined the London League prior to the Second World War.

During the war years they continued to play and joined the newly formed Great Western Combination League before re-joining the London League in 1945, finishing as Runners-up to Edgware Town. Uxbridge were founder members of the Corinthian League in 1946 and remained in this league for the next seventeen years. Finally, in 1948, after over three quarters of a century of searching, a ground of their own was purchased. A piece of land in Cleveland Road, Cowley was bought for £5,800 by then President Mr W.S. Try. The ground was named after a large house that stood on the land and "Honeycroft" was the new home of Uxbridge Football Club. During this period, they won their only Championship to-date when they were crowned Corinthian League Champions at the end of the 1959/60 season. They also won the Middlesex Senior Cup for the third time in 1951 when they defeated Hayes 2-1.

This was a successful period in the club's history as they finished in the top five of the Corinthian League on no less than eight occasions and crowds were averaging around the thousand mark. A re-organisation of non-League football saw the end of the Corinthian League in 1963 and club found itself once again in Division One of the Athenian League. This was a lean time for The Reds, they were relegated to Division Two in 1967 and financial problems once again beset them. They gained national publicity in 1976 when England were looking for a side to play as part of their warm-up for the forthcoming World Cup campaign. Uxbridge took on a full-strength England at Wembley, losing 8-0.

The ground problems that had blighted Uxbridge throughout their history surfaced once again and the club had to find a new home. In 1978 they moved to their current headquarters in Horton Road, Yiewsley. A former works Sports & Social Club they have developed the site to the superb standard you see today.

Over the past 43 years they have added floodlights (opened by the visit of Arsenal in 1981), new stands, fencing and in more recent times a new clubhouse was opened and car park laid. On the playing front the club won the Middlesex Charity Cup for the fourth time in 1982, their first silverware for 31 years, and moved to the Isthmian League in the same year, winning promotion to Division One in 1985. The Final of the AC Delco Cup (League Cup) was reached in 1986, where they met Premier Division Champions Sutton United. The Reds failed to stop Sutton completing "The Double" though, losing 3-1 in the Final in front of over a thousand spectators at Imber Court, the home of Metropolitan Police FC, Uxbridge entered the London Challenge Cup for the first time in the 1992/93 season and hence followed a love affair between the Reds and the magnificent trophy. In the eight seasons they entered the competition they reached five finals, winning on three occasions in 1994, 1997 and 2000.

They won the Middlesex Senior Cup for the fourth time in 2001, defeating Harrow Borough 3-0 in the Final held at Honeycroft. In 2004 the club were moved across the pyramid to the Southern League and have reached the Play-Offs on three occasions.

In 2004/05 they lost on penalties, after leading Maldon Town in extra-time, in 2007/08 they narrowly lost 0-1 at Oxford City and in 2011/12 they lost 2-1 at Bedworth United in the Semi-Finals. In 2018 Uxbridge were moved back across the pyramid, re-joining the Isthmian League in the South Central Division.

They have won the Middlesex Charity Cup on three more occasions in the last eight years. Defeating Brentford in 2013, Wembley in 2014 and Ashford Town (Middlesex) at Hanwell Town FC in 2019.

In the summer of 2016, the Club lost one of its stalwarts when long serving President Alan Odell passed away. Alan had been associated with The Reds for over 80 years, firstly as a supporter and player in his youth, before serving in various official duties as a committee member. He is sadly missed.

In 2019 Uxbridge appointed only their sixth manager over the past 51 years. Ron Clack was in charge for 18-years from 1970, followed by Peter Marshall for one season, Michael Harvey for three, before George Talbot took the reins for fourteen seasons in 1992. In 2006 Tony Choules became the man in charge, being replaced by our current manager Danny Edwards in 2019.

Danny is a UEFA A licensed coach who spent 15 years as manager of Chalfont St Peter AFC. He steered Chalfont St Peter to Step 4 of the league system in 2011, as well as reaching the 3rd Qualifying Round of the Football Association Challenge Cup on three occasions. Danny has with him a confident team which includes Fred Cummings as his Assistant Manager. Fred is well known to the followers of the Red Army as a combative centre half with 320 First Team appearances for Uxbridge in the 1980's.

Last season was the most successful in terms of league position since 2014/15 as we finished 6th missing out on the playoffs by one place we also won the Middlesex Charity Cup last season, beating Hanwell Town in the final, for the 4th time in the last 9 years

SOUTH PARK (REIGATE) FOOTBALL CLUB – A BRIEF HISTORY

South Park Football Club was formed in 1897 and immediately became founder members of the Redhill & District Football League along with other local clubs Godstone, Meadvale and Reigate Priory Reserves. The club remain members of the league today.

Although the facilities were basic the early matches were played in the original sports field which was in upper South Park between Crescent Road and Church Road. In 1925 under the direction of Canon Gregory from the local church, the football club together with the village cricket club formed the South Park Sports Association with the aim of the Association to provide sport and sporting facilities for the people of South Park. Within a few years it was realised that this new concept would be better served by an improvement in facilities and playing conditions. Fortunately for both club's suitable land existed in Whitehall Lane, the clubs current home and with the co-operation of the public spirited landowner, Harold Swannack, four acres of ground were purchased there. Always strapped for cash in these early years, the money was raised for the field largely by public subscription, which included door to door collections.

In order to preserve the land as a permanent sports ground, great foresight was exercised in vesting the land and subsequent purchases of further lots of two acres and four acres making ten acres in all in the National Playing Fields Association, now known as Fields in trust. The land became known as the 'King Georges Field' from 1935. The changing rooms were located on the far side of the field from Whitehall Lane at the bottom of the number two football pitch. Although the facilities were an improvement on their previous home they remained basic.

The football club flourished in the years leading to the Second Great War but obviously declined during and immediately after it. A handful of stewards rallied to the cause however and quickly resurrected its fortunes. One legacy of the hostilities, the air raid shelter, became the focus of attention when it became clear that further improvements were needed to the facilities if sporting aspirations were to be advanced. Thus it was that a shower room and toilet block and a modest clubhouse were attached to this building. Funding for this was achieved through the tireless efforts of the 'Friends of South Park Sports Association' organisation. Despite these commendable efforts, the Association lived for many years on a hand to mouth basis with the management all too frequently having to put their hands into their own pockets to ensure its survival.

During this period, the playing side of the football club flourished with numerous honours won in the local leagues and cups together with appearances in County Cup finals. The club were also honoured in the fact that a number of players progressed to senior football with clubs such as Redhill and Eastbourne Town in the fifties and sixties, the heyday of non league football.

The seventies and eighties brought further improvements to the changing facilities and clubroom and the purchase of the land that is now our main pitch were made. In the early seventies the football club started the junior's section. Over the years the number of teams has increased on a regular basis and today we have boy's teams from under eight's through to under sixteen's.

In 1997 the football club celebrated its Centenary year, the highlight of which was a celebratory dinner held at Reigate Manor Hotel at which over 150 people attended. Many players both past and present attended along with guests from The Football Association and Surrey County Football Association. The club was presented with its own unique framed certificate from the Football Association to mark this occasion.

The club was once again celebrating in 1998 when Geof Thatcher was awarded a Gold Medal by the Football Association to commemorate over 50 years service to football, the whole period with our club dating back to the war years when the club only played friendly matches as there was no competitive football during the war.

2001 saw Reigate Town Football Club move to South Park and the club became known as South Park & Reigate Town Football Club. In 2002 the club saw the formation of the first girl's team to play under the club's name and we now have four girl's teams. The following year saw the introduction of the youth team who are currently playing in the Southern Youth Floodlight League. The youth team played their home matches at Merstham Football Club from 2003–2007 as at the time we did not have floodlights.

For the 2003/04 season the club reverted back to its original name of South Park Football Club. In February 2004 the club became only the fifth in Surrey to be awarded the status of 'FA Charter Standard Community Club'. In 2006 the first team were promoted to the Combined Counties Football League and as our new changing facilities were being built played their home matches at Cranleigh. In their first season in the Combined Counties League the team finished in seventh place in the league. 2007 saw the completion of our new changing rooms and the erection of floodlights around our main pitch. This ensured that our first and youth teams could now play their home matches in South Park.

The 2008/09 season saw another landmark in the history of the club when we hosted Shoreham in our first ever FA Vase game. The 2009/10 season saw the club finish in their highest position (6th) since joining the Combined Counties League. The club has continued to progress and in August 2010 our stand will be erected which will give us the ground grading required for the first team to gain promotion. The 2010/11 season will see the club participate in the FA Cup for the time with an away tie against Greenwich Borough in the extra preliminary round. This game was covered by ITV Sport to start their Road to Wembley coverage as were our subsequent ties against Horsham YMCA and Cray Wanderers. The first team won the Surrey Premier Cup Final and the Lemon Recordings Division One Challenge Cup in addition to being promoted to the Premier Division of the Cherry Red Records Combined Counties League.

The 2011/12 saw South Park finish in eighth position in their first season in the Combined Counties League Premier Division. A good run in the FA Carlsberg Vase saw us reach the Fourth Round where we were beaten by Whitley Bay, the Vase winners for the previous three seasons. Playing in the Surrey Senior Cup for the first time Park beat Ryman Premier League Kingstonian and Leatherhead before finally being knocked out in the quarter finals by Conference South Sutton Utd. Season 2012/13 saw the club reach the 4th Qualifying Round of the FA Cup with Budweiser where we played Metropolitan Police in front of a club record attendance of 643. The team finished the season in 4th place in the league and reached the league cup final.

The 2013/14 season saw South Park win the Combined Counties League Premier Division and in doing so gain promotion to the Isthmian League Division One South. Our first season at step four saw us finish in a creditable 14th position. Each season has seen us improve on the previous season's league position with an 8th place finish in 2016/17. The 2016/17 season also saw us reach the 2nd Round of the FA Trophy where we drawn away to Tranmere Rovers. South Park finished the 2017/18 season in 13th place in the league. They also reached the semi finals of the Surrey Senior Cup for the first time. Malcolm Porter announced that he would be stepping down as manager due to business commitments at the end of the 2017/18 season.

Mick Sullivan was appointed as manager however after a poor start to the season the club accepted his resignation in mid October. Jay Lovett was appointed manager and took charge of his first game at the beginning of November. Park went into the final game of the season needing to match Molesey's result to retain their step 4 status. Park gained a 3-2 victory to secure their Step 4 status.

The Sparks made a solid start to the 2019/20 season however manager Jay Lovett resigned at the beginning of November to take up a similar position at Burgess Hill. Martin Dynan was appointed as Manager in mid November. He guided Park to the ¼ finals of the Surrey Senior Cup and maintained their mid table position before the season was abruptly halted due to the Covid 19 pandemic. The 2020/21 season curtailed after 8 games due the pandemic. The 2021/22 season saw Park sitting in mid table in late January when Martin Dynan resigned. The club acted swiftly and appointed Redhill Manager Harrison Williams. Harrison and his management team settled in quickly and Park finished in 9th place in the league.

Ahead of the 2022/23 season the club name was amended to South Park (Reigate) FC.

It must also be noted that without the tireless efforts of the late Fred Dearmun, Geof Thatcher, Ray Wilson and Geof Arnold to name but a few, the club would not be in the position it is today.
